Interagency Early Childhood

COMMITTEE

Pulling together for the young children
OF FREDERICK COUNTY

MISSION

To promote **healthy development and well-being of young children and their families** through community collaboration

GOALS

To address issues that affect Frederick County families with children from birth to eight years old

To promote a central clearinghouse of information on early childhood services for the community

To provide a network forum for professionals to share resources

To advocate for young children and their families

ACTIONS

Promotes innovative, non-duplicative services for young children and families

Collects and analyzes early childhood data related to the health, welfare and education of young children

Raises awareness of community needs and resources

Coordinates the publicity for the Month of the Young Child, each April and organizes the Children's Festival held on the last Saturday of April in Baker Park

Educates the community about the value of investing in early childhood
