CORRECTIONAL OFFICER CANDIDATE TESTING

Read this entire notice carefully, so you are adequately prepared for each segment of the selection process.

Correctional Officer testing will include the following stages:

1. Written examination
2. Physical agilities testing – Please click **HERE** to view the physical agility test requirements
3. Oral board examination – pre-determined questions before a panel of certified Correctional Officers.

You must successfully complete each stage of testing in order to participate in the next stage as listed above.

YOU MUST BRING THE FOLLOWING TO THIS APPOINTMENT:

- Your **photo driver's license** ~ no exceptions.
- Completed **Physician's Authorization** form. Please have your medical provider complete this form for you right away. We do not require you to have a physical examination at this time – just have this authorization completed. If this form is not completed and submitted on the day of your testing appointment, you will not be permitted to participate.

IMPORTANT DETAILS TO KEEP IN MIND:

- Testing will begin on time – Due to the nature of the testing, late arrivals cannot be accommodated.
- An alternate test date will not be available. This is the only date testing will occur.
- This testing is administered "rain or shine" – if you successfully pass the written examination, you will be required to complete the physical agility test. Dress appropriately for the physical agilities test and the weather conditions.
- Plan to be at this testing site for several hours – bring water or other hydrating beverages for yourself and bring a snack or light lunch.

If you have questions regarding this information, are unable to keep your appointment, or need to arrange for special accommodations, contact Human Resources staff as soon as possible before the testing date. You may contact us by telephone at 301-600-1070, or by email to KGordon2@FrederickCountyMD.gov.

We appreciate your interest in this career opportunity.

This testing is administered by Division of Human Resources and Frederick County Adult Detention Center staff.
