

Climate Emergency Management Workgroup

Meeting Minutes
March 11, 2021
5:00 PM

- I. Welcome – Quorum Established
- II. December 10, 2020 Minutes approved by consensus.
- III. Subgroup reports – Kevin Sellner provide an update for (HWL) Health, Extreme Weather Adaption and Resilience. Katie Wilson provided an update for (PAO) Public Awareness and Outreach. Ron Kaltenbaugh provided an update for (ETB) Energy, Transportation and Building. Karen Cannon provided an update for (AFL) Ag, Forestry and Land Management.
- IV. Open discussion – Barb & Kevin encouraged everyone to align our plans with the City and County and be aware of what in their plans. They are pleased with the online video on the City website and with the engagement. They also encouraged the workgroup members not be shy and go big when promoting/discussing our work and goals.
- V. Next Workgroup meeting will be held on Thursday, March 25, 2021. Guest speakers will be Richard Griffin, Director of Economic Development for The City of Frederick and Megan Heckert & Christina Rosen from Temple University.
- VI. No public comment was taken.
- VII. Adjourned at 6:40 PM.
