### **Staff Updates**

Joe Kelley updated the committee on grant applications for New Design Road and F& P Trail. Mark Mishler updated the committee on The vision Zero Action Plan and the plans to have an consultant work on Complete and Green Street Manual.

### **BMUFL signs**

Dave Olney updated the committee on the BMUFL signs. DPW will be installing signs on New Design Road soon and they are starting to look at Old Frederick Road next. The committee started to look at the list for the next round and came up with top ten roads and will look to narrow the list down at the next meeting. Dave also presented list of 12 potential sites for enhanced pedestrian crossing treatments. The list will be forward to the committee. Dave is looking for comments on the different sites and some recommendation on which one should be the first to be done.

### **Metrics/Bike facility asset Inventory**

Darius wants to do an inventory of what has been completed in the county in regards to bicycle and pedestrian facilities. It was agreed that we would work with DPW and the city and towns to come up with an inventory to present to others.

### **Committee member make-up**

The committee talked about getting new members and about inviting law enforcement to future meetings. Joe will contact Joyce Grossnickle about appointments to the committee and Darius will contact Visit Frederick about having someone serving on the committee.

### **Committee Member Announcements**

Lib wanted to know about posting for the Public Meeting on the F & P Trail design. Mark let her know that more information could be found on the County Website. Jerry asked if we could do a field trip for a future meeting in order to check out some of the sites that we have been talking about. Shayne has been hearing from a number of people wanting to know when the F & P Trail will be built.
