### **Chair's Report: Meeting Called to Order at 6:03 pm.**

The Chair welcomed everyone. Lib started the meeting with asking Darius to talk about his efforts to hold a candidates forum for County Executive and County Council position for this coming election.

### **Approval of Minutes**

Minutes were corrected for the April meeting but not approved for not having a quorum at the time.

### **Staff Updates**

Maddy Dolan updated the committee on the BMUFL signs that will be installed soon on Old Frederick Road and Opossumtown Pike. Maddy said there has been delays because of a number of issues. Planning has begun for Hessong Bridge Road and Bethel Road.

Maddy updated the committee on missing link sidewalk projects along Crestwood Blvd.

Maddy then updated the committee on the New Design Road Protected Bike Lanes. After discussion the committee communicated to Maddy that they had concerns about how protected bike lanes would be constructed at intersections.

Darius asked if there could be an improvement on the connection of the Ballenger Creek Trail at Ballenger Creek Pike.

Joe Kelley updated the committee on applications for TAP and Bikeways funding for the F & PL Trail and New Design Road as well as a feasibility study for Catoctin Furnace Historical Society. Joe also updated the committee on changes to the CIP Budget for FY23 which includes funds for feasibility studies for Middletown/Myersville Trail and Emmitsburg/North County Regional Park Trail as well as design funds for phase 2 of the F&PL Trail.

### **Prioritizing the trails**

Joe presented to the committee information and criteria in order to rank the remaining trails listed in the Bikeways and Trails Plan and a couple of other trails. The committee decided to add a few other trails to the list as well. After discussion the committee will start on ranking on the trails next month.

### **Committee Member Announcements**

Shayne let the committee know about the High Wheel race will take place on July 16<sup>th</sup>. Darius updated the committee on meeting with SHA on proposed J Turn on US 15 at Roddy Road and at Putman/Angleberger Road . The SHA promised to do better for bicycle crossing than they did at Devilbiss Bridge Road. Tim Brady mention that group in Urbana was having an event on July 14<sup>th</sup> for Biking in Frederick County
