Networking:

- Jim Miller – Sobriety Treatment and Recovery Team Direct Line Meeting. Once a month with providers to discuss substance abuse and the impact on those children and families. The meeting is the fourth (4th) Thursday from 2pm to 3pm of every month. If you want to join or be on the mailing list, please contact Jim Miller at Jim.miller@maryland.gov.
- Colleen Guardia – The Federal Office of HeadStart made an announcement to make access to federal programs easier for families by mandating that families who receive SNAP are now categorically eligible for HeadStart.
- Jessica Lertora – Met with members from the University of California, San Francisco and University of Maryland with the intention of helping embed, sustain, and disseminate attachment vitamins. It is a parenting group to support parents with very young children based on a child-parent psychotherapy “lite” model.
- Claudia Hernandez – FCPS has added many new full day Pre-K seats around the county. We need to fill as many seats as possible with families that qualify by total household income. Paper application packets are

available on our ECE website to print and each elementary school should also have them on hand. The online enrollment portal is also open for families but we are finding the portal can be a lot to manage. Please spread the message within your networks that FCPS is actively enrolling Pre-K students for the upcoming school year. Anyone can call our ECE phone number with questions: 240-236-5ECE (5323) or go to www.fcps.org/ece.

Next Meeting – August 4, 2022 1:00 pm at MHA
