ORDINANCE NO. 23-01-001

**ORDINANCE
OF
THE COUNTY COUNCIL OF FREDERICK
COUNTY, MARYLAND**

RE: PETITION TO OPEN CLOSE AND ALTER ED MCCLAIN ROAD

The Frederick County Division of Public Works filed a petition to open, close, and alter portions of Ed McClain Road in conjunction with the construction of a new east-west interconnector roadway that will connect Ed McClain Road with Green Valley Road (MD 75), pursuant to the Annotated Code of Maryland, Local Government Article, §12-512.

Pursuant to an approved Capital Improvement Program (CIP) project, the County is constructing a 0.37 mile long east-west connector roadway to direct northbound traffic on Ed McClain Road to MD 75 at a new intersection approximately 0.26 mile south of the existing intersection of Ed McClain Road and MD 75. The petition proposes altering Ed McClain Road by widening and realigning the road to intersect the east-west connector roadway at a new “T” intersection.

The petition proposes the closure of a small portion of Ed McClain Road near the new intersection with the east-west connector roadway, and requests that the closed portion of Ed McClain Road right-of-way be declared surplus and no longer needed for public use.

The County Council held a public hearing on February 21, 2023, to consider the petition during which members of the public and representatives of the petitioner were provided the opportunity to comment.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNTY COUNCIL OF
FREDERICK COUNTY, MARYLAND,

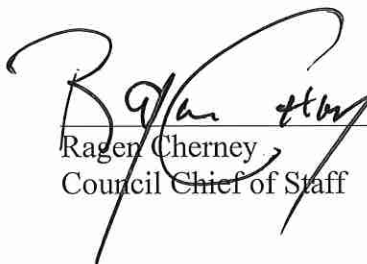

- 1) That the Petition to Open, Close, and Alter Ed McClain Road as shown on Exhibit A is approved.
- 2) That the Council finds the right-of-way for the portion of Ed McClain Road to be closed is surplus and no longer needed for public purposes.

AND BE IT FURTHER ORDAINED, that the County Executive is hereby authorized to dispose of the right-of-way for the closed portion of Ed McClain Road to adjoining owner(s) as their interests may appear.

The undersigned hereby certify that this Ordinance was approved and adopted on the
21st day of February, 2023.
