Kimberly Gaines, Director

MEMORANDUM

TO: Historic Preservation Commission
FROM: Amanda Whitmore, Historic Preservation Planner
DATE: April 12, 2023
RE: FY 2024 Rural Historic Preservation Grant Program Rankings

Issue:

Should the Historic Preservation Commission (HPC) approve the rankings of ten grant applications for the Frederick County FY 2024 Rural Historic Preservation Grant Program to be forwarded to the County Executive for further review?

Background:

The Frederick County Rural Historic Preservation Grant Program was established from legislation that increased the county's recordation tax to boost agricultural land preservation and set aside the first \$500,000 annually for three programs, one of which is grants for rural historic preservation. The grant application period opened on December 1. The Commission was provided access to all application packets. A summary of each application is included as Attachment 1.

Review Process and Schedule:

Application Deadline	February 28, 2023
Staff Review of Completed Applications	March 2023
Grant Subcommittee Review	April 11, 2023
Historic Preservation Commission Review	May 3, 2023
County Executive Review & Decision	May/June 2023

The grant review subcommittee of the HPC reviewed and ranked the applications per the approved criteria, which consider factors such as the historical and cultural significance of the resource, urgency of the project, retention of historically significant material, provisions for long-term resource preservation, etc. The subcommittee has approved sending the attached rankings (Attachment 2) forward to the Historic Preservation Commission for review and approval. The County Executive will review the rankings forwarded by the HPC and determine which grant projects to award and award amounts. Awardees will return to the HPC to receive their Certificate of Appropriateness prior to the execution of the grant agreement.

Recommendation:

The grant review subcommittee reviewed the applications on Tuesday, April 11, 2023 and recommended forwarding the rankings to the HPC. Staff recommends approving the rankings shown on the attached chart for further review and decision by the County Executive.
