EDUCATIONAL BULLETIN

2024-01

The purpose of the monthly Educational Bulletin is to educate licensees on trending non-compliance items that are being seen during inspections.

For those asking, Renewal Applications have been delayed and will be emailed at the beginning of February.

If you have any questions, please contact us at 301-600-2984 or LiquorBoard@FrederickCountyMD.gov

1. **Sales to Minor Compliance Initiative**-Compliance checks will be conducted randomly at all licensed establishments in Frederick County throughout 2024. The goal is to reduce youth access to alcohol and protect public health, welfare, and safety within our community. These random compliance checks are performed with an underage volunteer, that possess their valid, state-issued driver's license or identification card, which is provided to every establishment who asks for identification. If the server/clerk asks the individual their age, the volunteer is required to reply truthfully.
2. **2023 Alcohol Sales Compliance Check Update**-Between September and November 2023, The Frederick County Board of Licensed Commissioners supported a Sales to Minor compliance initiative of 31 alcohol licensed establishments in Frederick County. Of the 31 licenses inspected, 12 passed and **19 sold alcohol to underage buyers**. This is a failure rate of **61%**. Please see the [News Release](#) for more information and a list of pass/fail establishments.

Since compliance check failure rates are so high, the Board has added additional training for licensees and employees.

This class is **FREE** to any establishment that has **NOT** been charged with a violation. If your establishment has been **charged with a violation**, there is a one-time fee of \$200 (regardless how many people attend from your establishment).
