RESOLUTION NO. 24-26

RE: MUTUAL AID AGREEMENT LAW ENFORCEMENT

The County Council of Frederick County, Maryland, (the "Council") and other governing bodies throughout Maryland and in other states, recognize it to be in the best interests of their citizens to enhance their preparedness to respond to emergency situations to the greatest extent possible.

The Annotated Code of Maryland, Criminal Procedure Article, §2-105, authorizes the County Executive and the County Council to enter into reciprocal Mutual Aid Agreements with other Counties, municipal corporations, and certain other entities with respect to law enforcement efforts and activities.

Frederick County has in the past entered into Mutual Aid Agreements for law enforcement efforts and activities with several neighboring jurisdictions, which agreements remain in effect.

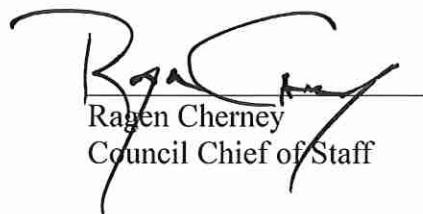

The Sheriff of Frederick County has requested that the County Executive and the County Council approve and execute an updated Mutual Aid Agreement between the Frederick County Sheriff's Office and Frederick County, and the Brunswick City Police and Brunswick City.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF FREDERICK COUNTY, MARYLAND, that the Council hereby approves the Mutual Aid Agreement for law enforcement with the City of Brunswick attached hereto as Exhibit A.

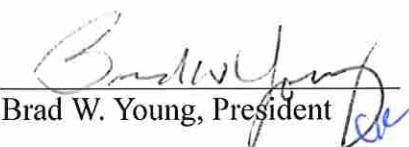

The undersigned hereby certifies that this Resolution was approved and adopted on the  
20<sup>th</sup> day of August, 2024.

AGREEMENT OF MUTUAL AID

BETWEEN THE SHERIFF AND COUNTY EXECUTIVE OF FREDERICK COUNTY,  
MARYLAND,  
AND THE MAYOR AND COUNCIL OF BRUNSWICK, MARYLAND

WHEREAS, the Sheriff of Frederick County, Maryland and the County Executive of Frederick County, Maryland ("County") and the Mayor and Council of the City of Brunswick, Maryland ("City") both realize and agree that the public interest is served best by law enforcement agencies which cooperate to the greatest extent possible to provide prompt, effective, efficient, and professional law enforcement services; and

WHEREAS, Law enforcement officers of the County and of the City are trained and certified in current law enforcement techniques and have successfully completed the courses of instruction which have been prescribed by the Maryland Police Training Commission pursuant to Public Safety Title 3, Subtitle 209 of the Maryland Code;

WHEREAS, Law enforcement administrators of the County and the City are aware that emergency situations have developed from time to time both at locations and at times either in the County or in the City when sufficient law enforcement resources were not immediately available to enable law enforcement officers to render prompt, effective, efficient, and professional services to the public; and

WHEREAS, elected officials and law enforcement administrators of the County and of the City desire to extend prompt, effective, efficient, and professional law enforcement services to the public, both in the County and in the City, to the extent law enforcement resources are available; and

WHEREAS, The General Assembly of Maryland enacted Criminal Procedure Title 2, Subtitle 105 of the Maryland Code, which allows counties and municipalities to enter into "Police Mutual Aid Agreements" (as defined therein).

NOW, THEREFORE, the County and the City, by and through their respective authorized and undersigned elected officials and law enforcement administrators do enter into this Police Mutual Aid Agreement ("Agreement") and do hereby agree:

1. The word "Emergency," as it is used in this Agreement, means a sudden or unexpected happening or an unforeseen combination of circumstances that calls for immediate

action to protect the health, safety, welfare, or property of a person from actual or threatened harm or from an unlawful act. The term "Emergency," as used in this Agreement, does not include routine requests for backup for traffic, ordinance, or criminal violations that do not call for immediate action to protect the health, safety, welfare, or property of a person from actual or threatened harm or from an unlawful act.

2. Whenever, in the judgment either of the Chief of Police of the City or the Sheriff of the County, or, in the event of his absence or unavailability, any other law enforcement officer designated either by the Chief of Police of the City or by the Sheriff of the County, an Emergency occurs and the law enforcement agency in the jurisdiction where that emergency occurs does not have sufficient law enforcement officers, equipment, or facilities immediately available to resolve properly that emergency, the designated law enforcement official may request assistance in the form of law enforcement officers, equipment, or facilities from the other jurisdiction. The request may be verbal or in writing, and shall be directed to either the Chief of Police of the City or to the Sheriff of the County, or, in the event of their absence or unavailability, to any other law enforcement officer designated either by the Chief of Police of the City or by the Sheriff of the County. If, in the judgment of the designated law enforcement official of the jurisdiction to whom the request has been made, the law enforcement officers, equipment, or facilities requested are available, such resources shall be dispatched as requested and such law enforcement officers shall take their orders from the law enforcement officer initiating said request.

3. No prior written request or authorization is required with regard to routine requests from dispatch such as assistance as a backup for traffic, K-9-scan or search, ordinance, criminal violations that do not call for immediate action to protect the health, safety, welfare, or property of a person from actual or threatened harm or from an unlawful act. Law enforcement officer(s) of either jurisdiction are hereby authorized to provide such routine backup assistance in the other jurisdiction.

4. Whenever any law enforcement officer of the County or the City is traversing, while on official duty, any highway, road, street, or alley either in the County or in the City and observes any crime in progress either in the County or in the City, that law enforcement officer is authorized to act as a law enforcement officer pursuant to this Agreement.

5. Whenever a criminal, ordinance, or traffic violation occurs on property owned by the City and located outside the corporate limits of the City, but within the County, any law enforcement officer of the City is authorized to act as a law enforcement officer.

6. Whenever a city officer is on duty on any highway, road, street, or alley within Frederick County, and observes a violation(s) of the Maryland Motor Vehicle Law, and;

- A. The officer observes signs of driver impairment, or severe negligent driving;
- B. The officer determines the driver is posing an immediate safety risk to themselves or the public around them; and
- C. The officer communicates their location and intention to attempt a stop with emergency communications, requesting a unit with primary jurisdiction to start to their location.

Then the city officer is authorized to act as a law enforcement officer and initiate the traffic stop for the observed motor vehicle law violations. The city officer will defer the traffic stop to the primary jurisdiction once they arrive. If the primary jurisdiction is unable to respond or take over the traffic stop, the city officer will be authorized to enforce any determined violations of the motor vehicle law as a law enforcement officer pursuant to this Agreement.

7. The manner of providing assistance, as it is set forth in this Agreement, shall not affect the authority granted to law enforcement officers in matters involving fresh pursuit as provided in Criminal Procedure Title 2, Subtitle 301 of the Maryland Code.

8. Pursuant to Criminal Procedure, Title 2, Subtitle 105(e)(2) of the Maryland Code, the parties to this Agreement acknowledge that the acts performed in furtherance of this Agreement by law enforcement officers or other officers, agents, or employees, and the expenditures either made by the County or by the City shall be deemed conclusively to be for a public and governmental purpose; and all of the immunities from liability enjoyed by the County or the City, when acting through its policemen or other officers, agents, or employees for a public or governmental purpose within its territorial limits shall be enjoyed by the County or by the City to the same extent when either is so acting, under this Agreement or under other lawful authority, beyond its territorial limits.

9. Pursuant to Criminal Procedure Title 2, Subtitle 105(e)(3) of the Maryland Code, the parties to this Agreement acknowledge that the law enforcement officers and other officers, agents, and employees of the County or of the City, when acting under this Agreement or under

other lawful authority beyond the territorial limits of the County or of the City by which they are commissioned or employed, have the immunity from liability as described in Courts and Judicial Proceedings Title 5, Subtitle 612 of the Maryland Code, and exemptions from laws, ordinances, and regulations and have all of the pension, relief, disability, worker's compensation, and other benefits enjoyed by them while performing their respective duties within the territorial limits of the County or of the City by which they are commissioned or employed. However, the jurisdiction by which any person is employed shall bear all costs for his pension, relief, disability, worker's compensation, and other benefits referred to in this paragraph.

10. Pursuant to Criminal Procedure Title 2, Subtitle 105(e)(2) of the Maryland Code, each of the parties to this Agreement (i) waive any and all claims against the other party to this Agreement which may arise out of its activities outside its respective jurisdiction under this Agreement; and (ii) agrees to indemnify and save harmless the other party to this Agreement from all claims by third parties for property damage or personal injury which may arise out of the activities of the other party to this Agreement, outside its respective jurisdiction under this Agreement.

11. Nothing in this Agreement shall preclude any jurisdiction from entering into similar agreements with other jurisdictions.

12. When an Emergency pursuant to this Agreement occurs, this Agreement shall supersede any other memoranda of understanding that may conflict with this Agreement.

13. All assistance rendered under this Agreement shall be provided without reimbursement by either party, unless otherwise provided by law or contract.

14. The parties may jointly pursue recovery of any expenditures made or losses sustained because of the negligence or willful acts of a third party.

15. This Agreement shall become effective immediately upon its enactment into law by the party jurisdictions or by the operation of law upon execution.

16. This Agreement shall remain in effect until it is canceled either by the County or by the City by written notice either from the Frederick County Council or from the Mayor and Council of the City.

17. If any part or provision of this Agreement or the application thereof to any person or circumstance is held invalid for any reason in a court of competent jurisdiction, the invalidity does not affect other provisions or any other application of this Agreement which can be given

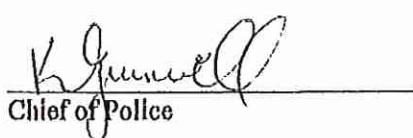

effect without the invalid provision or application, and for this purpose the provisions of this Agreement are declared severable.
