**FREDERICK COUNTY  
DEVELOPMENT REVIEW OUTREACH MEETING**

**Friday, February 1, 2008  
Winchester Hall  
1<sup>st</sup> Floor meeting room**

**Purpose of Meeting**

1. As requested by the Board of County Commissioners during their January 8, 2008 Press Conference, and in an effort to provide the development community an opportunity to discuss the Board of County Commissioners Growth Management Initiative, we will be holding an outreach discussion on this topic on Friday February 1, 2008 from 9 A.M. - 12 P.M. in the first floor hearing room at Winchester Hall. Staff from the Division of Permitting and Development Review and from the Division of Planning and Zoning will be available to discuss these initiatives and answer questions to the best of our ability at that time. Please keep in mind that specific questions on the status of specific projects should be sent in writing to [ghessong@fredco-md.net](mailto:ghessong@fredco-md.net), and will not be the topic of discussion at this Outreach meeting.
