Ordinance No. 02-01-297, approved by the Board of County Commissioners of Frederick County (the "Board") on January 15, 2002, effective February 1, 2002, as amended by Ordinance No. 02-20-316, approved by the Board on October 15, 2002, effective October 15, 2002, as amended by Ordinance No. 07-35-475, approved by the Board on November 27, 2007, effective November 28, 2007, codified as Section 1-13-35 of the Frederick County Code, as amended (together, the "IPA Act"), authorizes County Commissioners of Frederick County to enter into installment purchase agreements to acquire development rights on certain agricultural lands located within Frederick County.

Pursuant to the provisions of Section 808 of the Charter of Frederick County, the authorization of the County Commissioners of Frederick County constitute authorizations of Frederick County, Maryland (the "County").

Chapter 54 of the Laws of Maryland of 2012 (the "2012 Act") authorizes and empowers the County to borrow, from time to time, not more than \$100,000,000.00 in order to finance the cost of certain public facilities in Frederick County. The 2012 Act provides that such borrowing may be undertaken in the form of installment purchase obligations executed and delivered by the County for the purpose of acquiring agricultural land and woodland preservation easements.

Pursuant to the authority of the IPA Act and the 2012 Act, the County has agreed to acquire the development rights on approximately 151.0293 acres of land owned in fee simple by Gregory M. Burdette and Patti Storm Ledford N/K/A Patti Storm Burdette (collectively, the "Owner"), on Barnes Road (Tax Map 52, Parcel 129) in New Windsor, Election District 19 (Linganore), Frederick County, Maryland (the "Burdette Property") and intends to enter into an agricultural land preservation installment purchase agreement (the "Installment Purchase Agreement") with the Owner.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF FREDERICK COUNTY, MARYLAND:

Section 1. That, pursuant to the IPA Act and the 2012 Act, it is hereby found and determined as follows:

- (i) the acquisition of agricultural land preservation easements will supplement the County's existing local agricultural land preservation program to encourage the preservation of agricultural land and to protect and preserve farming;
- (ii) the execution of the Installment Purchase Agreement in exchange for an agricultural land preservation easement will promote the health, welfare and safety of the residents of the County;
- (iii) the Installment Purchase Agreement shall constitute an indebtedness and general obligation of the County and a charge against, and a pledge of the general credit and taxing power of, the County within the meaning of any applicable constitutional or charter provision or statutory limitation;
- (iv) all capitalized terms not defined herein shall have the meanings given them in the Installment Purchase Agreement.

Section 2. Pursuant to the authority of the IPA Act and the 2012 Act, the County hereby approves the acquisition of the Development Rights on the Burdette Property at a price of \$499,599.00, pursuant to the Installment Purchase Agreement No. 18-131 substantially in the form attached hereto as Exhibit A (the "Installment Purchase Agreement"). Such acquisition shall be accomplished in accordance with the provisions of the Installment Purchase Agreement. The Installment Purchase Agreement shall be in substantially the form set forth in Exhibit A attached hereto and made a part hereof. The interest rate payable under the Installment Purchase Agreement shall be established by the County prior to closing based on the County's yield on securities acquired to pay the balance of Purchase Price on the Principal Payment Date. Principal and interest on the Installment Purchase Agreement shall be payable at such times and in such places as shall be set forth in Exhibit A. The acquisition of the Development Rights shall be evidenced by a Deed of Easement from the Owner to the County in substantially the form attached to the Installment Purchase Agreement as Exhibit C.

Section 3. Pursuant to the authority of the 2012 Act, the County has determined to borrow on its full faith and credit a sum not to exceed \$499,599.00 and shall evidence such borrowing by the issuance of the Installment Purchase Agreement.

Section 4. The Installment Purchase Agreement shall be executed in the name of the County by the County Executive. The corporate seal of the County shall be affixed to the Installment Purchase Agreement and attested by the signature of the Chief Administrative Officer. The Installment Purchase Agreement shall be a valid and legally binding full faith and credit obligation of the County enforceable in accordance with its terms.

The execution of the Installment Purchase Agreement by such officer shall be conclusive evidence of the due execution of the Installment Purchase Agreement by the County.

In the event that funds available to the County from all sources are insufficient to pay the principal of or the interest on the Installment Purchase Agreement in any fiscal year in which such sums are due, the County shall levy in such fiscal year upon all legally assessable property within the corporate limits of Frederick County ad valorem taxes in rate and amount sufficient to provide for the prompt payment of such principal and interest on the Installment Purchase Agreement in such fiscal year, and, if the proceeds from the collection of taxes so levied in any such fiscal year are inadequate for such payment, additional taxes shall be levied in the succeeding fiscal year to make up such deficiency. The full faith and credit and unlimited taxing power of the County are hereby irrevocably pledged to the payment of the Installment Purchase Agreement as and when it becomes due and payable and to the levy and collection of the taxes hereinabove described as and when such taxes may become necessary in order to provide sufficient funds to meet the debt service requirements of the Installment Purchase Agreement. The County hereby covenants and agrees with the registered owner of the Installment Purchase Agreement to levy and collect the taxes hereinabove described and to take any action that may be appropriate from time to time during the period that the Installment Purchase Agreement remains outstanding and unpaid to provide the funds necessary to pay promptly the principal and interest due thereon.

Section 5. If so required, the County Executive, the Chief Administrative Officer or the Director of Finance shall be responsible for the execution and delivery of any certificate of the County which complies with the requirements of (a) Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and the applicable Treasury regulations thereunder (the "Treasury Regulations"), and (b) counsel rendering an opinion, if any, on the exclusion from gross income for federal income tax purposes of the interest portion of the payments to be made by the County pursuant to the Installment Purchase Agreement ("Bond Counsel").

The County shall set forth in said certificate its reasonable expectations as to relevant facts, estimates and circumstances relating to the use of the proceeds advanced, if any, under the Installment Purchase Agreement or of any moneys, securities or other obligations which may be deemed to be proceeds under the Installment Purchase Agreement pursuant to said Section 148 or the said Treasury Regulations (collectively, the "Proceeds") based on the County's reasonable expectations on the date of issuance of the Installment Purchase Agreement and will be, to the best of the knowledge of the person executing such certificate, true, correct and complete as of that date.

The County will comply with said Section 148 and said Treasury Regulations and such other requirements of the Code and Treasury Regulations which are applicable to the Installment Purchase Agreement on the date of issuance of the Installment Purchase Agreement and which may subsequently lawfully be made applicable to the Installment Purchase Agreement.

The County will hold and shall invest Proceeds, if any, within its control (if such Proceeds are invested) in accordance with the expectations of the County set forth in said certificate.

The County shall make timely payment of any rebate amount or payment in lieu thereof (or installment thereof) required to be paid to the United States of America in order to preserve the exclusion from gross income for purposes of federal income taxation of the interest portion of payments to be made by the County pursuant to the Installment Purchase Agreement and shall include with any such payment such other documents, certificates or statements as shall be required to be included therewith under then applicable law and regulations.

The County Executive, the Chief Administrative Officer, the Director of Finance or the Deputy Director of Finance may execute a certificate or certificates supplementing or amending said certificate, and actions taken by the County subsequent to the execution of such certificates shall be in accordance with said certificate as amended or supplemented; provided, however, that the County shall execute any such certificate only upon receipt by it of an opinion of Bond Counsel addressed to the County to the effect that actions taken by the County in accordance with the amending or supplementing certificate will not adversely affect the exclusion from gross income for federal income taxation purposes of the interest portion of payments to be made by the County pursuant to the Installment Purchase Agreement.

The County shall retain such records as necessary to document the investment and expenditure of Proceeds, the uses of Proceeds and of the facilities financed with such Proceeds, together with such other records as may be required by the tax certificate or the IRS in order to establish compliance with requirements of the Code and the regulations thereunder as conditions to the exclusion of interest on the Installment Purchase Agreement from federal gross income.

Section 6. The County hereby covenants with the owner from time to time of interests in the Installment Purchase Agreement that it shall not take or cause to be taken any action or fail to take any action, the taking of which or the omission of which, under the law existing on the date of issuance of the Installment Purchase Agreement, or which may subsequently lawfully be made applicable to the Installment Purchase Agreement, would cause the interest portion of payments to be made by the County pursuant to the Installment Purchase Agreement to be includable in the gross income of the Owner for federal income tax purposes.

Section 7. The County Executive, the Chief Administrative Officer, the Director of Finance and the Deputy Director of Finance, and such other officers, officials and employees of the County as the County Executive shall designate, are hereby authorized to do any and all things, execute all instruments, documents, certificates and otherwise take all actions necessary, proper or expedient in connection with the Installment Purchase Agreement, including but not limited to, the purchase of securities to provide for the Purchase Price.

Anne M. Bradley is hereby authorized to fill in any blanks in the documents which may require completion after the signing thereof, to sign any settlement sheet on behalf of the County, and to make any and all other necessary changes, additions or modifications thereto (including but not limited to any changes to the dates thereof) so long as the substance of such documents is not materially altered thereby.

Section 8. This Resolution takes effect from the date of its adoption.

Adopted this 16<sup>th</sup> day of October, 2018.

The undersigned hereby certifies that this Resolution was approved and adopted on the 16<sup>th</sup> day of October, 2018.

(h) There exist no liens or security interests on or with respect to the Land (other than those which have been subordinated pursuant to the Deed of Easement).

## **ARTICLE IV**

### **PROVISIONS RELATING TO EXCLUSION OF INTEREST FROM INCOME FOR FEDERAL INCOME TAXATION**

**SECTION 4.1. Intent of County and Tax Covenant of County.** The County intends that the interest payable under this Agreement shall not be includible in the gross income of the Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code. Accordingly, the County shall not knowingly take or permit to be taken any other action or actions or omit or fail to take any action, which would cause this Agreement to be an “arbitrage bond” within the meaning of Section 148 of the Code, or which would otherwise cause interest payable under this Agreement to become includible in the gross income of any Registered Owner for purposes of federal income taxation pursuant to Section 148 of the Code.

**SECTION 4.2. Acknowledgment of Owner with Regard to Tax Consequences of Transaction.** The Owner has received an opinion from Venable LLP, Bond Counsel, dated the date hereof, to the effect that under existing laws, regulations, rulings and decisions, interest payable under this Agreement is not includible in the gross income of the Owner for federal income tax purposes. This opinion assumes continuous compliance with certain covenants in the Tax Certificate and Compliance Agreement to be executed and delivered by the County on the date of delivery of this Agreement and is otherwise limited in accordance with its terms. The Owner acknowledges that he/she have had the opportunity to make his/her own independent investigation with respect to all other, tax considerations related to the transaction contemplated hereby (including, but not limited to, installment sales treatment under Section 453 of the Code, charitable contribution deductions under Section 170 of the Code, and federal estate tax implications). This investigation included the opportunity to consult with attorneys, accountants and others selected by the Owner in the Owner’s sole discretion. The Owner certifies that the Owner has not looked to or relied upon the County or any of its officials, agents or employees, or to Bond Counsel, with respect to any of such other matters.

**Section 4.3. Information Reporting.** Interest paid on tax exempt obligations after December 1, 2005 is subject to information reporting for federal income tax purposes in a manner similar to taxable obligations. The County will prepare an annual 1099-INT form to report the tax-exempt interest paid under this Agreement to the Owner. This reporting requirement does not in and of itself affect or alter the excludability of such interest from gross income for federal tax purposes or any other federal tax consequences of purchasing, holding or selling tax-exempt obligations.

WITNESSETH:

WHEREAS, by authority of Ordinance No. 02-01-297 approved by the Board of County Commissioners of Frederick County (the "Board") on January 15, 2002, effective February 1, 2002, as amended by Ordinance No. 02-20-316 approved on October 15, 2002 (together the "IPA Act"), the Grantee may purchase development rights from agricultural landowners by subjecting property to be purchased to an agricultural preservation easement restricting future development in perpetuity in the manner more specifically provided in the IPA Act; and

WHEREAS, Chapter 54 of the Laws of Maryland of 2012 (the "2012 Act") authorizes and empowers the County to borrow, from time to time, not more than \$100,000,000.00 in order to finance the cost of certain public facilities in Frederick County, and provides that such borrowing may be undertaken in the form of installment purchase obligations executed and delivered by the County for the purpose of acquiring agricultural land and woodland preservation easements; and

WHEREAS, Resolution No. # 18-23 passed by the Frederick County Council on authorizes Frederick County (the "County") to purchase development rights in or to 151.0293 acres of agricultural land from Gregory M. Burdette and Patti Storm Ledford n/k/a Patti Storm Burdette and

WHEREAS, the Grantor is the fee simple owner of the hereinafter described tract or parcel of land located in Frederick County and desires to sell an agricultural preservation easement to restrict such land to agricultural use in accordance with the IPA Act and as hereinafter set forth; and

NOW, THEREFORE, in consideration of the sum of Four Hundred Ninety-Nine Thousand, Five Hundred and Ninety-Nine Dollars (\$499,599) and other valuable consideration, the receipt of which, is hereby acknowledged, the Grantor for the Grantor, the heirs, personal representatives, successors and assigns of Grantor, does grant and convey, to the Grantee, its successors and assigns, an agricultural preservation easement in, on and over the hereinafter described tract or parcel of land, subject to the covenants, conditions, limitations and restrictions hereinafter set forth, so as to constitute an equitable servitude thereon:

All those lots or parcels of land situate, lying and being in the Linganore (#19) Election District, in Frederick County, State of Maryland, and which are more particularly described in Exhibit A attached.

The acreage intended to be encumbered hereby being 151.0293 acres of land, more or less (hereinafter sometimes referred to as the "property" or the "land").

AND the Grantor covenants for and on behalf of the Grantor, the heirs, personal representatives, successors and assigns of the Grantor, with the Grantee, its successors and assigns, to do and refrains from doing upon the above described land all and any of the various acts hereinafter set forth, it being the intention of the parties that this land shall be preserved solely for agricultural use, and that the covenants, conditions, limitations and restrictions hereinafter set forth, are intended to limit the use of the above described land and are to be deemed and construed as real covenants running with the land.

#### COVENANTS, CONDITIONS, LIMITATIONS AND RESTRICTIONS

- A. Subject to the reservations hereinafter contained, the Grantor covenants, grants and agrees as follows:
- (1) (a) Except as otherwise provided in this instrument, the above described land may only be used for agricultural purposes and may not be developed or otherwise used for any industrial, commercial, or residential purpose.
  - (b) To maintain the land in agricultural use or properly managed so that it is available for continued agricultural use from the date that the easement is recorded in the Land Records of Frederick County.
  - (c) That the easement agreement creates an encumbrance upon the land and binds future owners, heirs, successors or assigns and precludes the subdivision and utilization of the land principally for uses such as residential, institutional, commercial or industrial except as contained within this Deed of Easement approved by the Council. Any agricultural uses currently permitted would be allowed to continue under this agreement. The easement agreement shall not provide for public access to any privately owned land.
  - (d) In addition to any other requirements, the construction of new buildings or structures on the land, other than farm buildings, is contingent upon the written application to and approval by the

Frederick County, Maryland Planning & Zoning Department (the Department), subject to review by, and recommendation of, the Frederick County Agricultural Advisory Board.

- (e) The property shall be maintained in agriculture use. A landowner may request accessory, and compatible commercial uses to an agricultural use of the property, as permitted under the Frederick County Zoning Ordinance, provided that such use does not affect the agricultural integrity of the property, minimizes the use of productive agricultural land and fulfills the purpose and intent of this Easement.
  - (i.) Such a request shall be submitted to the Department and reviewed by the Advisory Board who shall make specific findings in each request as to the appropriateness of such use and the impact on the agricultural use of the property.
  - (ii.) Accessory and compatible commercial uses must conform to existing regulations and ordinances.
- (f) As a personal covenant only, and one that is not intended to run with the land, the Grantee, on written application from the Grantor, shall release free of easement restrictions only for the Grantor who originally sold this easement, 2 acres or less for the purpose of constructing a dwelling house for the use only of the Grantor or the Grantors' child, subject to the following conditions; provided however, the Grantor may elect to relinquish all childrens'/owners' lots in exchange for the right to convey one lot of 2 acres or less to a person or entity not a Grantor or child of a Grantor.
  - (i) The total number of childrens'/owners' lots allowed to be released under this paragraph may not exceed four (4) lots of two (2) acres or less at a maximum of not more than one (1) lot for each fifty (50) acres or portion thereof;
  - (ii) The Grantor shall pay the Grantee for any acre or portion thereof released at the price per acre that the Grantee paid the Grantor for the easement plus a pro rata portion of the interest previously paid to the Grantor by the County under Installment Purchase Agreement No.18-131 dated of even date herewith provided that the Council upon a recommendation from the Frederick County Agricultural Preservation Advisory Board, shall have the right to approve

the location and configuration of lot to be released; it being the intent that the agricultural use of the remaining property not be impaired by the proposed lot.

- (iii) Before any conveyance or release, the Grantor and the child, if there is a conveyance to a child, shall agree not to subdivide further any acreage allowed to be released; the agreement shall be recorded among the land records where the land is located and shall bind all future owners; and
- (iv) If, while the above described land was in a Maryland Agricultural Land Preservation district, the Grantee released free of the district's restrictions for a Grantor or child of a Grantor, an owner or a child's lot for the purpose of constructing a dwelling house for the use of the Grantor or the Grantor's child, the Grantee may not release hereunder an additional lot for the same Grantor or child; for each lot that the Grantor has excluded from the district's restrictions for this purpose, the number of lots that the Grantor otherwise would be entitled to have released under paragraph A (1) (f) is reduced by one.
- (g) The Grantor may construct housing for tenants actively engaged in operation of the farm, but this construction may not exceed 1 tenant house per full 100 acres. The land on which a tenant house is constructed may not be subdivided or conveyed to any person, nor may the tenant house be conveyed separately from the original parcel unless conveyed as a permitted child's lot under Section A (1) (f). This request shall be submitted to the department for approval, subject to the review and recommendation of the Frederick County Agricultural Preservation Advisory Board.
- (h) The land subject to this Deed of Easement may not be subdivided for any purpose unless written approval first has been obtained from the Grantee.
- (i) No development rights from the property may be transferred to another area, or to another person, or to a political subdivision.
- (j) On request to the Grantee, the Grantor may exclude from the easement restrictions up to 2 acres per each single dwelling which existed at the time of the sale of the easements by a land survey and recordation provided at the expense of the Grantor or Grantors'

personal representatives, successors or assigns. However, before any exclusion is granted, the Grantor shall agree with the Grantee not to subdivide each acre excluded. This agreement shall be recorded among the land records where the land is located and shall bind all future owners.

- (k) No rights-of-way easements, oil, gas or mineral leases, or other similar servitude may be conveyed, or permitted to be established in the property without the Grantee's express permission.
  - (l) Unless written approval is first obtained from the Grantee, no easement or other restriction may be granted to any person, entity or agency (whether governmental or non-governmental) in land subject to this deed of easement.
- (2) Other than those specifically listed on Exhibit B hereto, no signs, billboards, or outdoor advertising displays may be erected, displayed, placed or maintained on the property; provided, however, the Grantor reserves the right to erect signs not exceeding 4 feet x 4 feet for each of the following purposes:
- (a) to state the name of the property and the name and address of the occupant;
  - (b) to advertise any home or ancillary occupation consistent with the purposes of this easement subject to the approval of the Grantee; and
  - (c) to advertise the property's sale or rental.
- (3) No ashes, sawdust, bark, trash, rubbish or any other material may be dumped on the property; provided, however, that the Grantor reserves the right to stockpile any material which is for regular agricultural use.

The Grantor reserves the right to use the property for any farm use, and to carry on all normal farming practices, including the operation at any time of any machinery used in farm production or the primary processing of any agricultural products; the right to conduct upon this land any agricultural operation which is in accordance with good husbandry practices and which does not cause bodily injury or directly endanger human health, including any operation directly relating to the processing, storage, or sale of farm, agricultural or woodland products produced on this land; and all other right and privileges not hereby relinquished, including the Grantors right of privacy.

B. And the parties, for themselves, their heirs, personal representatives, successors and assigns, further covenant and agree as follows:

- (1) The Grantor shall manage the property in accordance with sound agricultural soil and water conservation practices so as to promote the agricultural capability of the land; and shall manage any woodland in accordance with sound forestry practices; provided, however, that the Grantor reserves the right to selectively harvest from time to time trees which will not alter the agricultural character of the land or diminish its productive capability; provided, however, if the property consists of 50% or more woodland, the cutting of trees shall be governed by an approved forest management plan.
- (2) The Grantor shall implement all soil conservation and water quality practices that are contained within a soil and water conservation plan approved by the local soil conservation district, made or revised within the last ten years of the date of the application to sell an easement, which lists all soils conservation and water quality problem areas on the land. The plan shall be implemented according to the schedule of implementation contained within the plan which exists at the time of easement settlement. Revisions to the schedule of implementation may be made as approved by the Board of Supervisors of the local soil conservation district, however, the plan shall be fully implemented within ten years of the easement settlement date. Exceptions may be considered by the Grantee on a case by case basis. Such Plan shall be kept on file in the offices of the Department and the District office of the Soil Conservation Service.
- (3) The Grantor shall implement a forest management plan demonstrating proper forest management techniques if 50% or more of the acreage contained in the property consists of woodland.
- (4) The Grantee or its authorized representative shall have the right to enter on the property from time to time for the sole purposes of inspection and enforcement of the easement, covenants, conditions, limitations and restrictions herein contained; provided, however, that the Grantee shall have no right to inspect the interior of any structures on the property.
- (5) If the easement or any covenant, condition, limitation or restrictions herein contained is violated or breached, the Grantee may after due notice to the Grantor, the Grantors' heirs, personal representatives, successors or assigns, institute an action in equity to enjoin, by ex parte, temporary or permanent injunction, such violation or breach; to require the restoration of the above

described land to its condition prior to such violation or breach; to recover damages; and to take such other legal action as may be necessary to insure compliance with the easement and the covenants, conditions, limitations and restrictions herein contained.

- (6) If the Grantor has any doubt concerning the easement, covenants, conditions, limitations or restrictions herein contained with respect to any particular use of this land, the Grantor may submit a written request to the Grantee for consideration and approval of such use.
- (7) This easement does not grant the public any right of access or any right of use of the property.
- (8) Nothing herein contained shall relieve the Grantor, the Grantors' heirs, personal representatives, successors or assigns of the obligation to pay real estate taxes.
- (9) This easement shall be in perpetuity.
- (10) Grantee may assign any or all of its right, title or interest in this Deed of Easement to any entity which Grantee determines will continue the intent of the County's Agricultural Preservation Program including, without limitation, the State of Maryland and its Maryland Agricultural Land Preservation Foundation.

AND the Grantor further covenants that they have not done or suffered to be done any act, matter or thing whatsoever, to encumber the property hereby conveyed; that they will warrant specially the property interest hereby conveyed; and that the Grantor will execute such further assurances of the same as may be required.
