3. LIVABLE FREDERICK MASTER PLAN

The Frederick County Planning Commission reviewed submitted comments on the second round of public input for the Livable Frederick Master Plan (LFMP).

The Commission continued its review with Staff. Mr. Hicks suggested the Livable Frederick Plan include a letter from the Planning Commission, focusing on providing some context of how this plan fits into the overall picture. Mr. Dimitriou noted that moving forward, he will incorporate the feedback from today into the document, along with the Planning Commission letter Mr. Hicks will provide, and will forward a finished copy to the Commissioners at least a week prior to the next regular meeting. The hope is that the Commission will decide whether or not to approve the Plan and forward to the County Council. Mr. White thanked Mr. Dimitriou and Mr. Superczynski for their efforts throughout this process.
