Opening Statement from Council President M.C. Keegan-Ayer

Good Evening and welcome to the virtual meeting of the Frederick County Council. Today is Tuesday, February 9, 2021, and it is a workshop day for the County Council.

The Frederick County Council is continuing to conduct our meetings on-line during this time.

Our meetings are televised on Frederick County Government Channel 19, on Frederick County Government's website: www.FrederickCountyMD.Gov/FCGTV, and while we are meeting virtually, we will continue to use our software program which allows the public to watch and participate in our meetings. Please go to www.frederickcountymd.gov/councilmeetings in order to watch us on that format. You may listen to our meetings on your cell phone by dialing 855-925-2801, entering code 8365 and then pressing 1.

You may still send us comments via email at (Councilmembers@frederickcountymd.gov), or using our virtual format, you may call toll free 855-925-2801 and enter meeting code 8365 to listen to our meetings as I just explained, and to give public comment. I will be giving instructions for how to give public comment before each portion of our meeting when public comment will be received. As always, all comments received will be reflected in the minutes. Please remember that today is a workshop day and therefore all comments must be related to one of the items on our workshop agenda. If you have comments unrelated to our agenda today, you may email them to the Council or wait until next week when it will be a legislative day in which case you may give public comment on any issue.

As a reminder during these virtual meetings, I will periodically stop to allow the members to ask any questions in a round robin type fashion, calling the council members by name to make sure the public is aware of which member has the floor.

As a continued caution to our Council Members – Please be respectful of each other's time and wait to be recognized before you begin to speak. Remember the microphone issue and please limit your questions to one at a time. I will come back around as often as necessary until all questions are heard.
