

SOUTH FREDERICK

South
Frederick
Corridors
Placemaking
Charrette

SCHEDULE

- Kick-off event – April 5
- Three virtual sessions held over two weeks – April 6, 8, and 15
- All sessions have been/will be recorded and posted on the project web page

SESSION 1

What is Livable Frederick?

- Review of existing conditions, market trends, and Livable Frederick principles
- “What is a great place and what does that look like in the South Frederick Corridors planning area?”
- Exercises to help define ideal types of development for the planning area

SESSIONS 2 & 3

What Could Be?

- Using the palette of placetypes, exploring how the planning area can potentially develop and evolve

Moving Forward

- Identification of policies and strategies needed to implement the Plan vision over the next 30-50 years
