RESOLUTION NO. 15-05

RE: TAX LEVY FOR JULY 1, 2015 - JUNE 30, 2016

Pursuant to the authority vested in the County Council of Frederick County, Maryland (“Council”) by State law, including the Annotated Code of Maryland, Tax-Property Article, and the public local laws for Frederick County, Maryland, such as Section 2-7-1 of the Frederick County Code, the Council is required to levy and impose property tax on the assessment of property subject to Frederick County’s property tax; and

The Council has determined that its general property tax levy for fiscal year 2016 (July 1, 2015 through June 30, 2016) should be established at \$1.060 on each \$100 worth of assessed taxable property in Frederick County; and

As the Annotated Code of Maryland, Tax-Property Article, Section 6-305, provides for tax setoff by the Council to incorporated municipalities, either in the form of direct payments or through differing County general property tax rates (“tax differential property tax rates”), to compensate municipalities for providing services that would otherwise have been provided by Frederick County Government; and

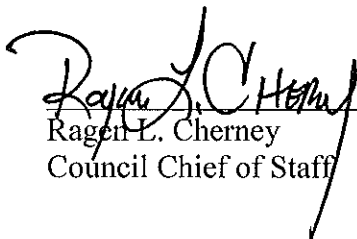

As the incorporated municipalities of The City of Frederick and Myersville requested that they receive their fiscal year 2016 tax setoff compensation through tax differential property tax rates rather than receiving direct payments from the County, the Frederick County general property tax levies on assessed taxable property within these municipalities are slightly lower than on property located elsewhere within Frederick County; all other incorporated municipalities within Frederick County elected to receive tax setoff payments from the Council rather than receive tax differential property tax rates and, thus, property located within these

municipalities is subject to the same general property tax rate as is property located in unincorporated areas of Frederick County.

NOW THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF FREDERICK COUNTY, MARYLAND, that for the period of July 1, 2015 through June 30, 2016, the Frederick County general property tax levy shall be the sum of \$1.060 on each one hundred dollars (\$100) worth of assessed taxable property in Frederick County, Maryland, except that the general property tax levy for assessed taxable property within the City of Frederick shall be the sum of \$.9340 and the general property tax levy for assessed taxable property within the incorporated municipality of Myersville shall be the sum of \$.9302. Further, the Council hereby authorizes and empower the County Treasurer of Frederick County to collect from the taxpayers of Frederick County, for the said period, the above specified levied sums on assessed taxable property in Frederick County in accordance with the tax list duly compiled and placed in her hands for the use of Frederick County, and to pay all such money over to the respective persons entitled to receive the sum upon the order of the County.

The undersigned certifies that this Resolution was approved and adopted on the 21st day of May, 2015.
