RE: **NEW MARKET RETAIL CENTER, LOT 2**
Project Number 15524, POPEYES SITE PLAN (SP#0103)

Dear Planning Commission Board:

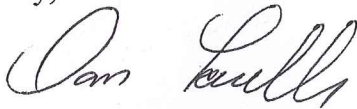

On behalf of the applicant we are requesting a modification to the loading space requirements (1-19-6.120-B).

The restaurant will receive supplies after normal business hours (between 1 - 6 a.m.) by tractor trailer. The driver will pull up alongside of the restaurant, unlock premises and deliver supplies.

Their operation does not require a separate loading space.

If you should have any questions, please contact me.

Sincerely,

Daniel P. Lavelle, Prof. L.S.
President
