## Upcoming Activities By Date

Date	Description	Next Steps
<b>June 21 mtg</b>	To be determined.	

### AP Committee Needs/Requests/Questions (e.g. volunteers)

Draft purpose statement:

To research and create roadmaps for communities to develop their own unique plan for aging in place. The roadmaps would take into consideration the unique needs of the various communities in offering the best opportunities for success. These roadmaps would be submitted to appropriate entities for their consideration in creating a county where aging in place is a real option for our seniors.
