

# This School **RECYCLES!**

Help us do it well, by placing the right things in the bins:

**yes!**  
We can **RECYCLE** it!

paper bags

empty juice boxes

aluminum cans

paper, magazines notebooks

paper/cardboard boxes, empty milk & juice cartons

plastic "Lunchable" containers yogurt & fruit cups, cereal bowls

plastic OR glass drink bottles

**no!**  
These things don't go in a blue bin.

anything styrofoam, any disposable cups, trays, bowls, etc.

markers, pens, pencils

chip bags, food & candy wrappers

leftover food

plastic ware

juice pouches

paper towels, napkins

**PLEASE RECYCLE:** Clean paper (construction, office, notebook, etc.), plastic containers (cereal bowls, soda bottles, etc.), aluminum cans, cardboard & paperboard (cereal boxes, milk/juice cartons, etc.), glass bottles and jars. All containers should be **EMPTY** with lids left **ON!**

**PLEASE DON'T PUT THESE IN A BLUE BIN:** Foil lids to yogurt/applesauce containers, microwaveable plastics, disposable cups (like Solo or fast food cups), disposable plates or cutlery, candy wrappers, **ANYTHING** made of "styrofoam", greasy materials, any containers with food or liquid still in them.

Some schools participate in TerraCycle or other collection programs! Check to see if you have a collection box for juice pouches, chip bags or other non-recyclable materials.
