LoCs will be paid if an account becomes delinquent and will be paid in the amount of the full balance on record. In the case that the Division of Solid Waste & Recycling collects funds from an LoC, the customer must restore the LoC to the full amount required according the account activity within 15 days after satisfaction of the amount due. If LoCs are not restored to full required balances within 15 days, the customer's privilege to charge transactions to a Landfill account will be revoked. Billing privileges will be restored when the LoC is restored to the correct balance. Estimated waiting period is 15 business days.
  - b. Cash Escrow Deposit. Customers may provide the Division of Solid Waste & Recycling a deposit in the amount established as outlined in Paragraph 3 below. Estimated waiting period varies on time for funds to become available, but this usually occurs within 5 business days.

3. The chosen form of payment guarantee must guarantee payment of an amount at least equal to the average quarterly account balance of the applicant. Landfill usage may be estimated when there is no account data available. Estimated usages will be recalculated after the three months of account activity. All accounts will be reviewed annually. Account activity will be limited to an amount less than or equal to the payment guarantee amount. Account holders will be given 15 days to amend payment guarantee amounts if usage increases after a quarterly or annual review. If payment guarantees are not increased within 15 days after notification, account holders will not be permitted to use the Landfill facilities. Any delinquent amounts not satisfied by a payment guarantee must be paid before privileges to charge transactions to the customer's billing account may be restored.
