The Neighborhood Green Program is an initiative of the **Frederick County Green Homes Challenge** (Green Leader Challenge). The Green Homes Challenge is an online certification tool that helps homeowners adopt an environmentally-friendly lifestyle. To participate in Neighborhood Green, you must register with the Green Homes Challenge at www.FrederickGreenChallenge.org and mark as COMPLETED at least two Green Leader actions.

- I have registered for the **Green Homes Challenge** at www.FrederickGreenChallenge.org and marked at least two Green Leader actions as COMPLETE.
- I have questions about registering for the **Green Homes Challenge**, please contact me.
- (Required)** I understand that upon completion of the Neighborhood Green program, I should update my FrederickGreenChallenge.org records with Neighborhood Green improvements to certify in the Green Leader Challenge. If I do not, I understand that an OSER staff member will update my account accordingly.

How to Submit your Application:

Applicants must fill out ALL applicable forms completely and turn them in either by mail, in person, or electronically. To submit via email, forms must be signed and scanned in. Electronic forms without signatures will be deemed incomplete. Applications will be accepted until all funds have been committed or the grant period ends, whichever comes first.

To receive full and timely consideration, please answer all questions completely. All submitted forms will be reviewed for completeness and eligibility. Applicants will be awarded a space in the program on a first come first served basis.
