Bill No. 17-04

Frederick County is a craft beverage industry leader in the State of Maryland. The County currently has twelve farm winery and farm brewery tasting rooms located within the Agriculture Zoning District. Eight more farm wineries and breweries are exploring the option of adding a tasting room in the near future. Since 2010 the County has approved nine new farm winery and brewery tasting rooms, and this growth is expected to continue. In addition, the City of Frederick has recently added three (3) new farm distillery tasting rooms.

This Bill creates a limited tasting room category in support of the emerging farm wineries and breweries and also creates opportunities to locate farm distilleries, distillery tasting rooms, and limited distillery tasting rooms in the Agriculture and Resource Conservation Zoning Districts.

NOW, THEREFORE, BE IT ENACTED BY THE COUNTY COUNCIL OF FREDERICK COUNTY, MARYLAND, that the Frederick County Code be, and it is hereby, amended as shown on the attached Exhibit 1.

Harold F. (Bud) Otis, President
County Council of Frederick County,
