1.	Describe the impact of this proposed legislation on your agency (operations, revenues, expenditures, etc). If there is no impact, <u>please explain why.</u>					
This bill does not fiscally impact the County. This bill serves to strengthen the Employee Retirement Plan by making certain revisions to the membership structure of the Retirement Plan Committee (Committee). This legislation would require the Committee to include a Retiree representative. This legislation would also limit any County Division from having more than two representatives on the Committee.						
2.	Please indicate whether the proposed legislation will affect small businesses in Frederick County, and if it will, please provide any information you may have which could be useful in determining the economic impact on small businesses.					
This bill will not impact local businesses.
