

HOME AND COMMUNITY BASED LONG TERM CARE SERVICES AND SUPPORTS

- ❖ Community Options Waiver
 - ❖ Community First Choice
- ❖ Community Personal Assistance Services

HISTORY OF PROGRAM

- ❖ Waivers created to allow eligible clients, that meet medical and financial guidelines for Medicaid, to “age in place” and provide services in-home and in assisted living facilities (ALFs) paid for by Medicaid
- ❖ From 2001 to 2013, Area Agencies on Aging administered federal and state monies through the Older Adult Waiver or Medicaid Waiver for Older Adults for adults 50 and older.
- ❖ Affordable Care Act (ACA) allowed states to accept monies to expand their Medicaid programs. Maryland accepted the expansion money and created the following:
 - ❖ January 1, 2014 the Older Adult Waiver (50+) and Living At Home Waiver (18-64) were merged into Community Options Waiver.
 - ❖ Community First Choice created to help those who are community Medicaid recipients receive in-home services if medically eligible.
 - ❖ Medicaid Personal Care Program (MAPC) renamed Community Personal Assistance Service (CPAS)

COMMON ACRONYMS

- ❖ CO Waiver (Community Options Waiver): called a Waiver because it “waives” the requirement that one can only receive Medicaid covered long term care services in a long term care facility. Under the Waiver the recipient can receive services either at home or in an assisted living facility (ALF).
- ❖ CFC (Community First Choice): a program that allows community eligible Medicaid recipients that meet a nursing facility level of care to receive long term care services and supports at home.
- ❖ CPAS (Community Personal Assistance Services): a program that allows community eligible Medicaid recipients that don't meet a nursing facility level of care but have a need for assistance with an activity of daily living, receive in-home care services.
- ❖ SPA (Supports Planning Agency): provides case management services
- ❖ POS (Plan of Service): reflects services client is eligible for under enrolled program

DEFINITIONS

❖ Medically eligible:

- ❖ Community Options Waiver and Community First Choice: clients need to meet an institutional level of care based on the interRAI assessment tool.
- ❖ Community Personal Assistance Services: clients must need assistance with at least one activity of daily living (ADL).

❖ Financially eligible:

- ❖ Community Options Waiver: \$2,205 monthly income, \$2000 assets (individual)
- ❖ Community First Choice and Community Personal Assistance Services: meet community Medicaid guidelines.

OPTIONS COUNSELING/APPLICATION ASSISTANCE (OC/AA) MONEY FOLLOWS THE PERSON (MFP)

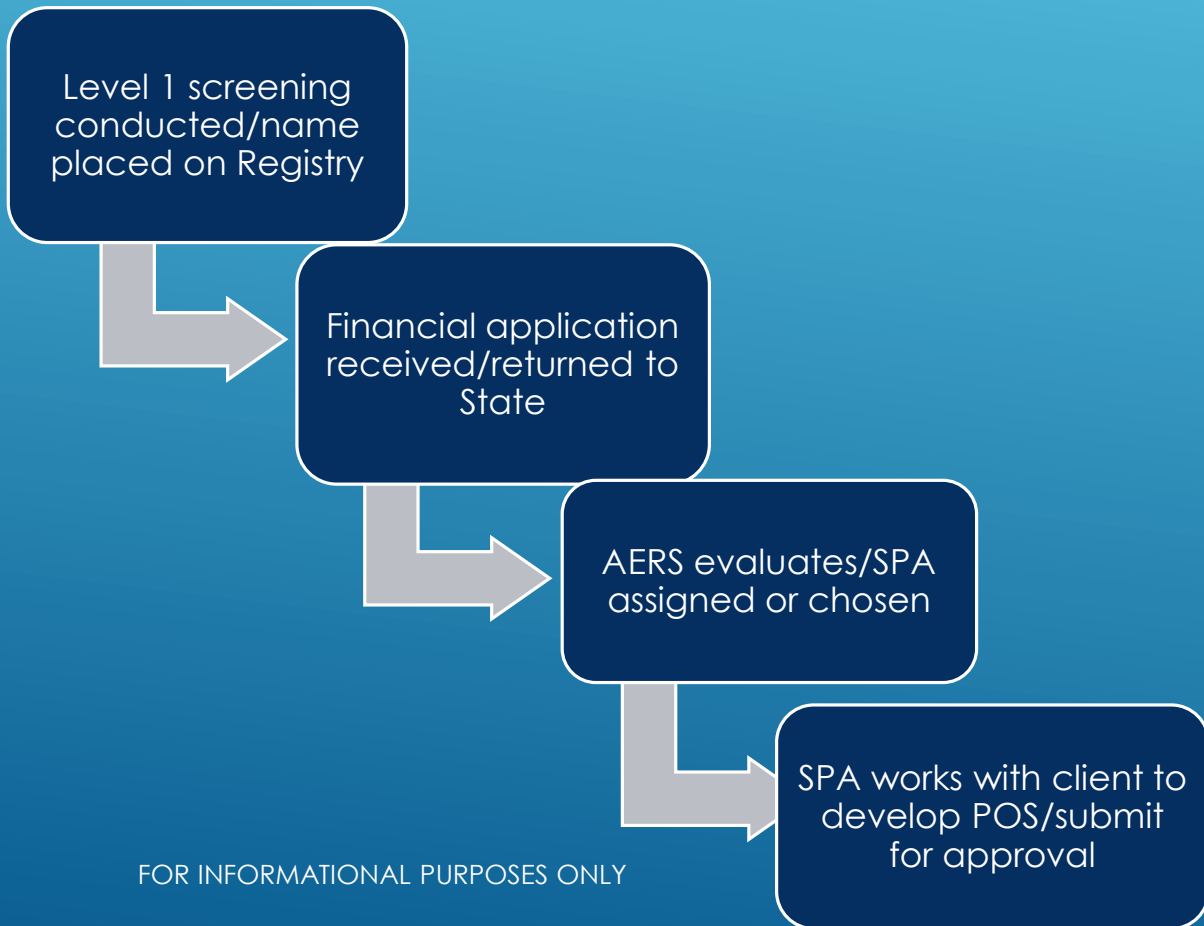

- ❖ Options Counseling is an opportunity for residents of nursing facilities to find out what their options for long term services and supports are in the community.
- ❖ Application Assistance is assistance with filing a financial Waiver application with the State.
- ❖ Options Counseling provided by FCDoA or Freedom Center based on MOU (Memorandum of Understanding)
- ❖ Money Follows the Person (MFP): assists individuals, who are eligible for long term care Medicaid, transition from institutions back to the community.
- ❖ Participants receive their services through a waiver program/help with housing assistance, behavioral health specialist, flex funds/transition funds and peer mentoring.

INTERRAI ASSESSMENT TOOL

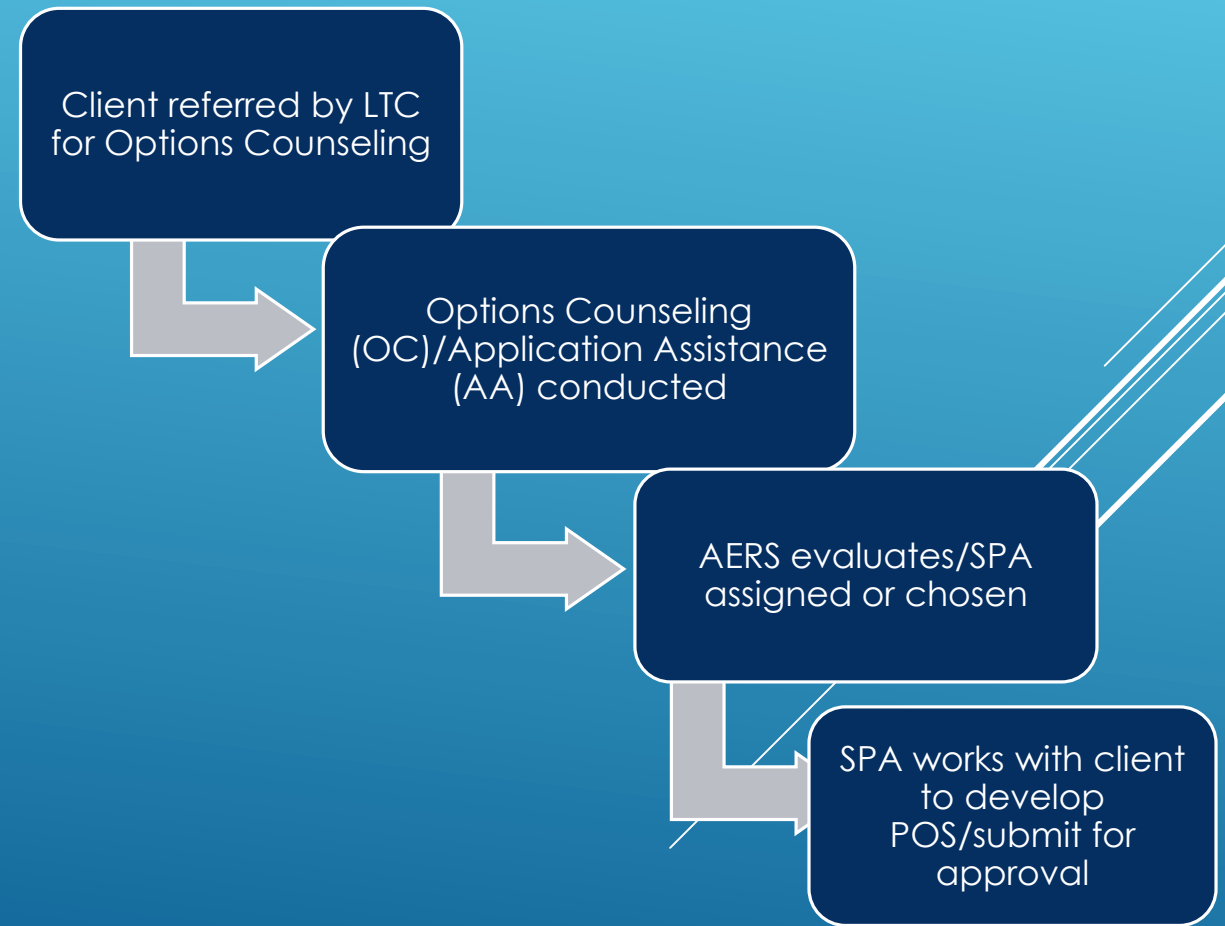

- ❖ International Resident **Assessment** Instrument (**InterRAI**) **InterRAI** is an electronic **assessment** tool used by health professionals working with older people. The **assessments** highlight any issues and help assessors match services more closely to needs. www.adhb.govt.nz/seniorline/RestHomesHospitals/Interrai.htm
- ❖ Developed by the **interRAI** network of health researchers in over 30 countries, this tool is a comprehensive clinical assessment of medical, rehabilitation and support needs and abilities such as mobility and self-care. www.health.govt.nz › ... › Other eHealth initiatives › Common clinical information

WHAT IS SUPPORTS PLANNING?

- ❖ DHMH definition: “Assists participants and applicants in understanding their self-direction options, maximizing the participant’s choice and control, creating a person-centered plan of service (POS), goal setting, coordinating services based on their individual needs and choices.”
- ❖ Supports Planners (SPs) can be assigned to clients (up to 55 clients) in any of the service categories (CO, CFC or CPAS).
- ❖ Monthly contact (face to face visit every 90 days) with client to ensure implementation of the services on the POS, ensure Nurse Monitoring is being completed by LHD/AERS and review provider billing reports to ensure personal care hours are consistent with POS.

SUPPORTS PLANNING AGENCIES

- ❖ Area Agencies on Aging in each jurisdiction
- ❖ Beatrice Loving Heart and Health
- ❖ MMARS (Medical Management and Rehabilitation Services)
- ❖ Service Coordination
- ❖ The Coordinating Center

All have a signed solicitation with Maryland Department of Health (MDH) and provide fee for service case management to pending and enrolled clients.
