

The Frederick County Senior Services Division utilizes the Frederick County, Maryland Public Schools Inclement Weather Policy to determine its weather policy for senior center operations.

1. If schools are closed due to inclement weather, all meals, activities, classes, and transportation are cancelled, but the senior centers are open for independent pursuits.
2. If schools delay opening or close early; meals will be served but activities and classes may be delayed or cancelled at the discretion of the instructor and/or senior center supervisor. Transportation may be available.
3. If Frederick County Government offices delay opening or close early, Senior Centers and Senior Services Division offices will open or close accordingly.
4. If Frederick County Government offices are closed, Senior Centers, Meals on Wheels, and Senior Services Division offices will be closed.
5. If schools are not in session due to a regularly scheduled closing (winter break, in-service days, etc.), participants should check the Senior Services Division website, Facebook page and/or call the senior center to confirm the senior center activity schedule for the day.
