Dear Parent/Guardian,

Your child has expressed interest in serving as an election judge in the upcoming Presidential Elections. We welcome anyone age 16 and above who is a registered voter (in Maryland, you may register at age 16, but cannot vote unless you will be age 18 by the next general election) to help us at a designated polling place in Frederick County. The dates of the election are Tuesday, April 28, 2020 and Tuesday, November 3, 2020. Your child will be paid at least \$175 for working on Election Day, as well as an additional amount for attending a training session at our office prior to the election. The training session will be no longer than 3 hours. Your child will be asked to assist in the set-up of the polling location which will take place on Monday evening prior to Election Day, and they will be required to work on Election Day from 6:00AM until approximately 9:00PM. Your child's contact information will be provided to the Chief Judges assigned to the same polling place, so that they can coordinate information regarding Monday set-up and even food arrangements for Election Day. Your child is not permitted to leave the premises of the polling place while they are serving as an Election Judge.

I am requesting that you complete the information below and send it back to ensure that you are giving them permission to assist in the election process. If you have any questions, please contact me via email or telephone listed above.

Noreen L. Schultz
Election Deputy Director
