Dear Parent/Guardian,

Your child has expressed interest in serving as an election judge. We welcome anyone age 16 and above who is a registered voter to help us at a designated polling place in Frederick County. In Maryland, you may register at age 16, but cannot vote unless you will be age 18 by the next general election. By signing above, you are agreeing to the following.

- Judges may apply to work during Early Voting and/or Election Day. Applying does not guarantee placement. Dates for the June Gubernatorial Primary Election are July 7-14 for Early Voting and July 19 for Election Day. The November General Election will be October 27 – November 3 for Early Voting and November 8 for Election Day.
- All judges are required to attend a three to three and a half hour training class.
- Your child will be asked to assist in the set-up of the polling location on Monday evening prior to Election Day (does not apply to Early Voting).
- All judges are required to be at the polling place by 6 am on all assigned days (Early Voting and Election Day run the same hours). The day ends when all equipment is packed and judges are dismissed by the Chief Judges. Typically the day ends by 9 pm but may run later under certain conditions. Judges are not permitted to leave the premises of the polling place while they are serving. It is acceptable for food to be delivered.
- Your child may earn Student Service Learning credit OR may be paid. Students cannot earn both.
- If earning SSL credit, your child is responsible for obtaining the SSL form from school, bringing it to the polling place to be signed then returning it to the school's SSL coordinator. Training class and Monday evening set up can be counted towards SSL credit.
- If your child chooses to be paid, he or she will be paid for training and for working. To receive the pay for training, he or she must work a full day. There is no pay for training if he or she doesn't work or leaves early.
- Your child's contact information will be provided to the Chief Judges assigned to the same polling place, so that they can coordinate information regarding Monday set-up and other arrangements for Election Day.

Thank you,

Theresa Church, Election Judge Recruiter
