## Department of Aging & Copper Ridge Integrate Institute Partner to Sponsor Caregiver Educational Series

*Presenting Information on the Latest Findings in Dementia Research*

FREDERICK, MD -- The Frederick County Department of Aging and Copper Ridge Integrate Institute are partnering to sponsor a Caregiver Educational Series in Frederick that will present information on the latest findings in dementia research. The series will feature Integrate Institute Executive Director Tabassum Majid, PhD, as the speaker.

Each meeting will feature light fare and conversation from 5:30-6:00 p.m. and be followed by the educational program from 6:00-7:00 p.m. All meetings will be held at the Frederick County Department of Aging located at 1440 Taney Avenue, Frederick.

Topics for the Caregiver Educational Series include:

- May 16--Living with Mild Cognitive Impairment: A Panel Discussion
- June 13--Decision Making and Preferences in Care
- July 11--The Latest Advances in Dementia Diagnosis and Prevention

Tabassum Majid, PhD, executive director, The Integrate Institute, has both a personal and professional interest in Alzheimer's and related dementias ADRD. She received her B.S. Degree from the University of Maryland in Neurodegenerative Disorders of the Aged. She earned her PhD in translational medicine of ADRD from Baylor College of Medicine in Houston, TX. She completed a post-doctoral fellowship at the University of Maryland, School of Pharmacy researching care management decision-making. She currently is an appointed member of the Maryland Governor's Council on ADRD and an adjunct faculty member at UMBC.

To register contact 301-600-6001 or e-mail [caregiversupport@frederickcountymd.gov](mailto:caregiversupport@frederickcountymd.gov).

The Integrate Institute at Copper Ridge has been dedicated to excellence in supporting those with Alzheimer's and dementia through research and education for more than 20 years. Their innovative research, findings, and programs have been internationally renowned, and have helped improve the quality of life for those living with these disorders and their care partners. For more information visit [www.integrateinstitute.org](http://www.integrateinstitute.org).

The Frederick County Department of Aging is located within the Frederick County Division of Citizens Services and develops and administers programs and activities that support older adults and adults with disabilities in their efforts to remain healthy, active and independent members of the community. It also provides, coordinates and advocates for services which promote the dignity and enrichment of life for all seniors, persons with disabilities, families and caregivers. For more information, visit [www.FrederickCountyMD.gov/aging](http://www.FrederickCountyMD.gov/aging) or call 301-600-1605.
