

SWAC Meeting Minutes 5/2/2018

In Attendance: Kevin Demosky (DUSWM), Phil Harris (DSWM), Lori Finafrock (DSWM), Peter Blood (Chair), Phil LeBlanc, John Kinnaird, Jack Fritz and Patrick Miglio

Meeting began at 1835 hours with quorum met, Peter Blood presiding

Meeting Minutes-Patrick Miglio

Minutes from April meeting not available

Department Update: Phil Harris

- Reviewed anticipated soil deficit numbers after Lake Linganore dredging project and potential costs for importing soil
- Household Hazardous Waste Day-5/19/2018, 0800-1200 at Frederick County Public Safety Training Facility (Department edit: This was cancelled after the SWAC meeting and rescheduled for June 9, however, this was not known at the time of the SWAC meeting)
- Deborah Moran-Hired as the Commercial Recycling Analyst
- Rebecca Culler promoted to Recycling Program Manager
- Now at full staff compliment
- Discussion on what is, and what is not, truly recyclable and how to better inform/educate the public. Contamination of the recyclable material stream is an ongoing problem.
- Continued discussion on what can be done with glass
- Information on coloring contest and winners announced

Old/New Business:

SWAC voted to recommend Peter Blood to a new 3 year term on SWAC to be considered by the County Executive

The next meeting will be held 06/06/2018 at the Public Safety Training Facility-Room 126 at 1830 hours

The meeting adjourned at 1930 hours.
