## Transit Plus Application

---

This application is for Transit-plus, the shared-ride, demand response transportation service operated by Transit Services of Frederick County **for senior citizens and people with disabilities**. More information about the service is found in our Transit-plus brochure. If certified as eligible to use Transit-plus, you will be provided with a complete list of policies and procedures for using Transit-plus.

This application is divided into five sections. All applicants should complete the first four sections. The last section is the Professional Certification of an applicant's disability. The professional certification is only required of individuals who are applying on the basis of their disability.

1. Section I requests general information about the applicant.
2. Section II requests eligibility information. You may qualify for Transit-plus based on age and/or disability.
  - If you are applying based on age (60+), you must attach a copy of a document that provides proof of your age, such as your birth certificate or a driver's license.
  - If you are applying because of disability, and you are not a senior citizen, you must provide professional certification of your disability by having your physician or other professional familiar with your disability complete Section V (last section).
3. Section III requests the kinds of assistance you require in traveling or communicating.
4. Section IV requests you to certify the information you have provided on this application.

**Mail your completed application to:**  
**Attn: Transit-plus**  
**Transit Services of Frederick County**  
**1040 Rocky Springs Road**  
**Frederick, Maryland 21702**

You may also fax your application to 301-600-3471 or email to [transit@frederickcountymd.gov](mailto:transit@frederickcountymd.gov).

You will receive a letter of eligibility from Transit-plus within two weeks if your application is approved. If you have any questions or would like assistance in completing this application, please call (301) 600-2065 x2.
