FOR IMMEDIATE RELEASE:

December 20, 2018

New Traffic Signal to Be Operational at New Design Road and English Muffin Way

FREDERICK, MD – The Frederick County Office of Transportation Engineering announced today that a new traffic signal at New Design Road and English Muffin Way will be operational on December 20 and will operate in flashing “all red/all way stop” mode until becoming fully operational on or about Thursday, December 27. The pedestrian signals will not be made operational at this time, but will be activated after new accessible ramps are installed.

Motorists are cautioned to be aware of the new traffic signal at the intersection and drive safely.

For further information, contact Utility Coordinator Brad Meredith at 301-600-1669 or via e-mail BSMeredith@frederickcountymd.gov.
