Transfers

Transfer tickets are used for the purpose of transferring between TRANSIT buses and shuttles to complete your one-way trip. Transfer tickets are valid **ONLY** at designated transfer stops serviced by the issuing route. Ask the driver for a transfer ticket when you board the bus if you will be transferring to complete your one-way trip. A transfer ticket will not be issued when you get off the bus.

If you know you will be transferring twice to complete your one-way trip, please request a double-punch from the driver. Transfer tickets can never be used between the 50/51 and 60/61. Transfer tickets are not to be used to complete a round-trip, or take a second or side trip. Transfer tickets are not necessary when using a mobile smartphone ticket.

Please note that Maryland law prohibits knowingly evading fare payment (includes boarding without paying and attempted use of an invalid transfer ticket) and is subject to a \$50.00 fine per occurrence, and could result in your exclusion from TRANSIT services.

Accessibility

All Connector & shuttle buses are equipped with wheelchair lifts.

TRANSIT offers two services for persons with disabilities who are unable to use the Connector & shuttle buses: TRANSIT-plus and ADA Paratransit. These two services have different eligibility requirements and different service characteristics (including fares and advanced reservation requirements). Please contact TRANSIT for more information on both services.

TRANSIT Services of Frederick County is committed to ensuring that no person is excluded from participation in, or denied the benefits of its transit services on the basis of race, color, or national origin, as protected by Title VI of the Civil Rights Act of 1964.
