

*Use the right bin for your waste!*

# ONLY RECYCLE THESE THINGS:

## PAPER & BOXES

Clean paper, cartons & cardboard

## METAL PACKAGING

Cans & tins

## PLASTIC PACKAGING

ONLY bottles, tubs, jars & jugs

## GLASS PACKAGING

Bottles & jars

*No other items should be placed in a recycle bin.*

*When in Doubt, Throw It Out (In the Trash)!*

## DO NOT RECYCLE: *(in a blue bin)*

Plastic Bags,  
Bubble Wrap

NO Cafeteria, Takeout,  
Bakery or Produce  
Containers of  
Any Kind

Cups, Plates  
or Cutlery  
of Any Kind

Juice & Food  
Pouches,  
Straws

Snack/Candy  
Wrappers,  
& Chip Bags

Paper Towels,  
Tissues or  
Wipes

Soiled Paper  
or Cardboard  
(such as  
pizza boxes)

Food Waste,  
Liquids,  
or Any Trash

Pens, Erasers,

& Shavings

*When done right, recycling can help conserve resources. But the blue bin program can only process clean paper, cardboard and certain varieties of metal, plastic and glass packaging. That's it. Placing other non-recyclable items into a blue bin harms the program and reduces the value of local recycling efforts.*

*Don't just recycle...*
