FREDERICK, MD – Frederick County Executive Jan Gardner today announced the promotion of Kelly Weaver, CPA, to budget director for Frederick County Government. Ms. Weaver has been serving as the acting budget director since March 19, 2019.

“Kelly brings an extensive knowledge of the county budget and a wealth of financial expertise and experience to this important position,” Executive Gardner said. “I am pleased to promote her based on her management skills, graduate level education in accounting, and professional certifications that will further advance our open, transparent and inclusive public budget process. I know Kelly will do an exemplary job in this leadership role.”

Ms. Weaver has served as Frederick County Government assistant budget director since 2007. Previously, she was Accountant II and III for the county from 2004 – 2007. Before that, she was the Senior Accountant at City Hospital, Inc., from 2000-2004.
