Summary of 2014-2018 System Additions:

	Number of sidewalk inventory enteries	Total LF of sidewalk	LF compliant sidewalk	number of driveways	Number of ramps	Number of non-compliant ramps
2014-2018 Additions	63	93,497	89,600	400	295	57
Compliant sidewalk:			95.8%	compliant ramps:		80.7%

Pedestrian Facilities Subject to 2014 Agreement:

434	812,457	5,270	2,382
-----	---------	-------	-------

System Growth:

14.5%	11.5%	7.6%	12.4%
-------	-------	------	-------

Notes:

1. Status categories:

- New - Newly constructed roads with sidewalks accepted into the County system since 2014 survey.
- Infill - Sidewalks constructed along existing County roads since 2014 survey.
- Transfer - Roads with sidewalks that were under another agency's jurisdiction in 2014 and have since been transferred to the County.
- Correction - Roads with sidewalks that were part of County system during 2014 survey but were not recorded during 2014 survey.

2. Ramps in rights-of-way areas not maintained by Frederick County are not included on this list. Ramps in SHA rights of way are not included on this list.

3. Comparison with Ramps and Sidewalks subject to 2014 Agreement based on 2019 Update corrected inventory totals.
