

Instructions on downloading and using WhatsApp to make a call.

For further assistance, please contact Senior Services Manager Brad Petersen at bpetersen@frederickcountymd.gov.

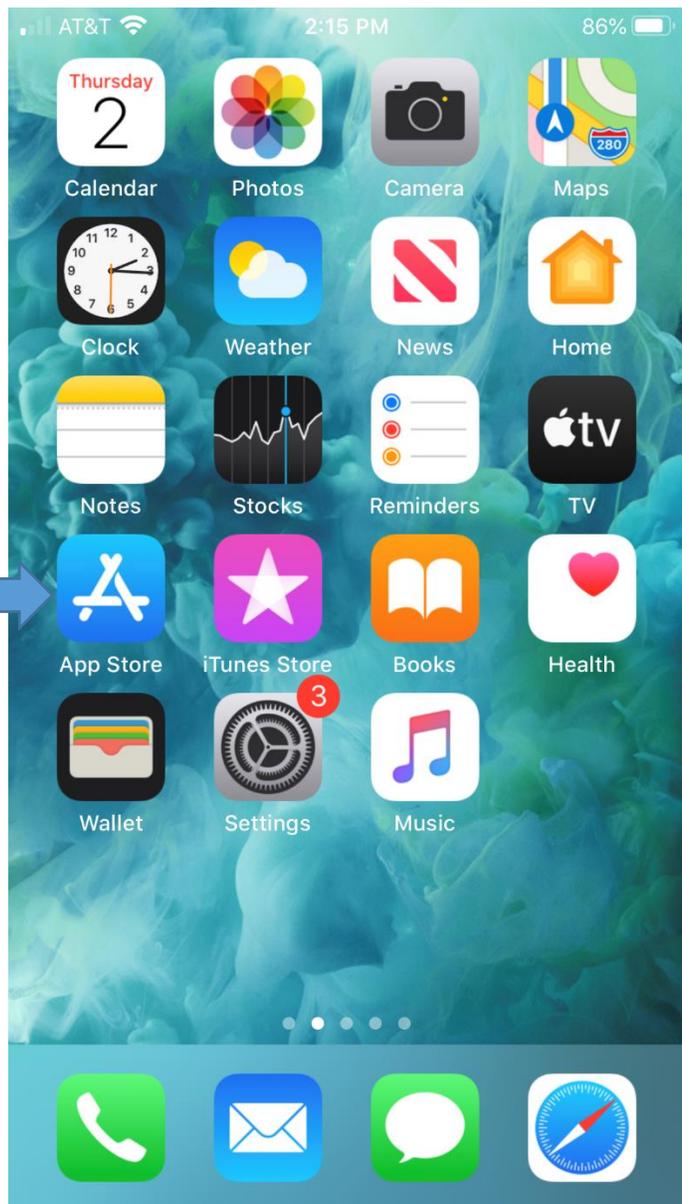

WhatsApp is a free service to make video calls if both parties are using WhatsApp.

Click on App Store.

It is recommended to connect to wi-fi to use WhatsApp. A wi-fi connection can be confirmed by finding the

symbol in the top right or left hand corner of your screen. Without wi-fi, data rates and charges may apply and the quality of the call may be poor.

Decide if you would allow WhatsApp to Access Your Contacts on your phone. Allowing access to your Contacts will upload the names and phone numbers already entered in your phone. If you elect to not allow access, you will have to manually enter the names and phone numbers into WhatsApp. You may use the WhatsApp app with either selection.
