

Complete the 2020 Census

The Census Bureau DOES NOT send census forms to post office boxes. You still need to complete the census by going online to my2020census.gov or by calling 844-330-2020 (toll-free) as soon as possible, but no later than August 15th.

Responding to the census is your civic duty. Data from the 2020 Census will be used to determine our representation in government, as well as federal funding for schools and health clinics, transportation, Medicare, fire departments, roads, community centers and more.

\$11,000,000 LOST

Due to undercounts in the 2010 Census, Frederick County lost over eleven million dollars!

By completing the 2020 census, you help to ensure that Frederick County receives the support we need so our entire community can thrive.

IMPORTANT. EASY. SAFE.
