

COMMENT SHEET

Thank you for your interest in the *Frederick County Cultural Resources Survey Project*! This document will be used to identify and evaluate places of architectural, social, and cultural significance associated with African Americans in the County.

Do you have information about African American history in Frederick County – either related to a topic, event, or a specific building, site, or community – that you would like to share with the consultant team? We would love to hear from you! All of the community input that is received will be reviewed by the consultant team and will help inform their work.

Please use this comment sheet to submit any information that you would like to share.

QUESTIONS

1. Tell us more about your connection to Frederick County. Are you a resident? Former resident? Business owner?

2. Tell us more about the information you would like to share. Is it related to a topic, event, or a particular building, site, or community?

Topic or event related to Frederick County African American history

Specific building, site, or community in Frederick County (*please provide an address or location, if possible*):

3. Tell us some more about this topic, event, building, site, or community. What should the consultant team know about it? How is it important to the community?

4. Are there sources of information (books, knowledgeable people, or anything else) that you believe the consultant team should consult when conducting research?

5. Do you know of any endangered properties in Frederick County associated with African Americans that the consultant team should be aware of?

6. Is there anything else about the project, or about African American history, that you would like to share?

Thank you! Your input and participation are instrumental to the success of this project.
