

THE SOUTH FREDERICK CORRIDORS PLACEMAKING CHARRETTE

The [Livable Frederick Planning and Design Office](#) invites you to join us for the **South Frederick Corridors Placemaking Charrette**, an interactive virtual visioning workshop to generate ideas and develop consensus around recommendations for long-term growth and redevelopment in the [South Frederick Corridors](#) planning area. The South Frederick Corridors Plan helps to implement the [Livable Frederick Master Plan](#), an award-winning plan establishing a framework for the future of Frederick County.

The Placemaking Charrette consists of a kick-off event and three virtual sessions held over two weeks. Please note – **all participants MUST pre-register for each session you plan to attend**. You will be emailed a unique link to join the meeting after registering. We invite you to join us for all sessions, but please join us even if you can only make one session!

Kick-Off Panel Discussion

Monday, April 5, 2021 12-2 PM

Join us for an expert panel discussion and knowledge exchange event, creating a foundation for future sessions.

Register for the Kick-Off Event here: <https://us02web.zoom.us/meeting/register/...>

Session 1 “What is Livable Frederick”

Tuesday, April 6, 2021 12-2 PM

This session will review existing conditions, market trends, and Livable Frederick principles in the planning area to help answer the question, “What is a great place and what does that look like in the South Frederick Corridors planning area?” Discussion and interactive exercises will help to define the ideal types of development for the planning area.

Register for Session 1 here: <https://us02web.zoom.us/meeting/register/...>

Session 2 “What Could Be?”

Thursday, April 8th 12-2 PM

Participants will further define how the planning area (and its subareas) can potentially develop and evolve, using the palette of placetypes developed during Session 1.

Register for Session 2 here: <https://us02web.zoom.us/meeting/register/...>

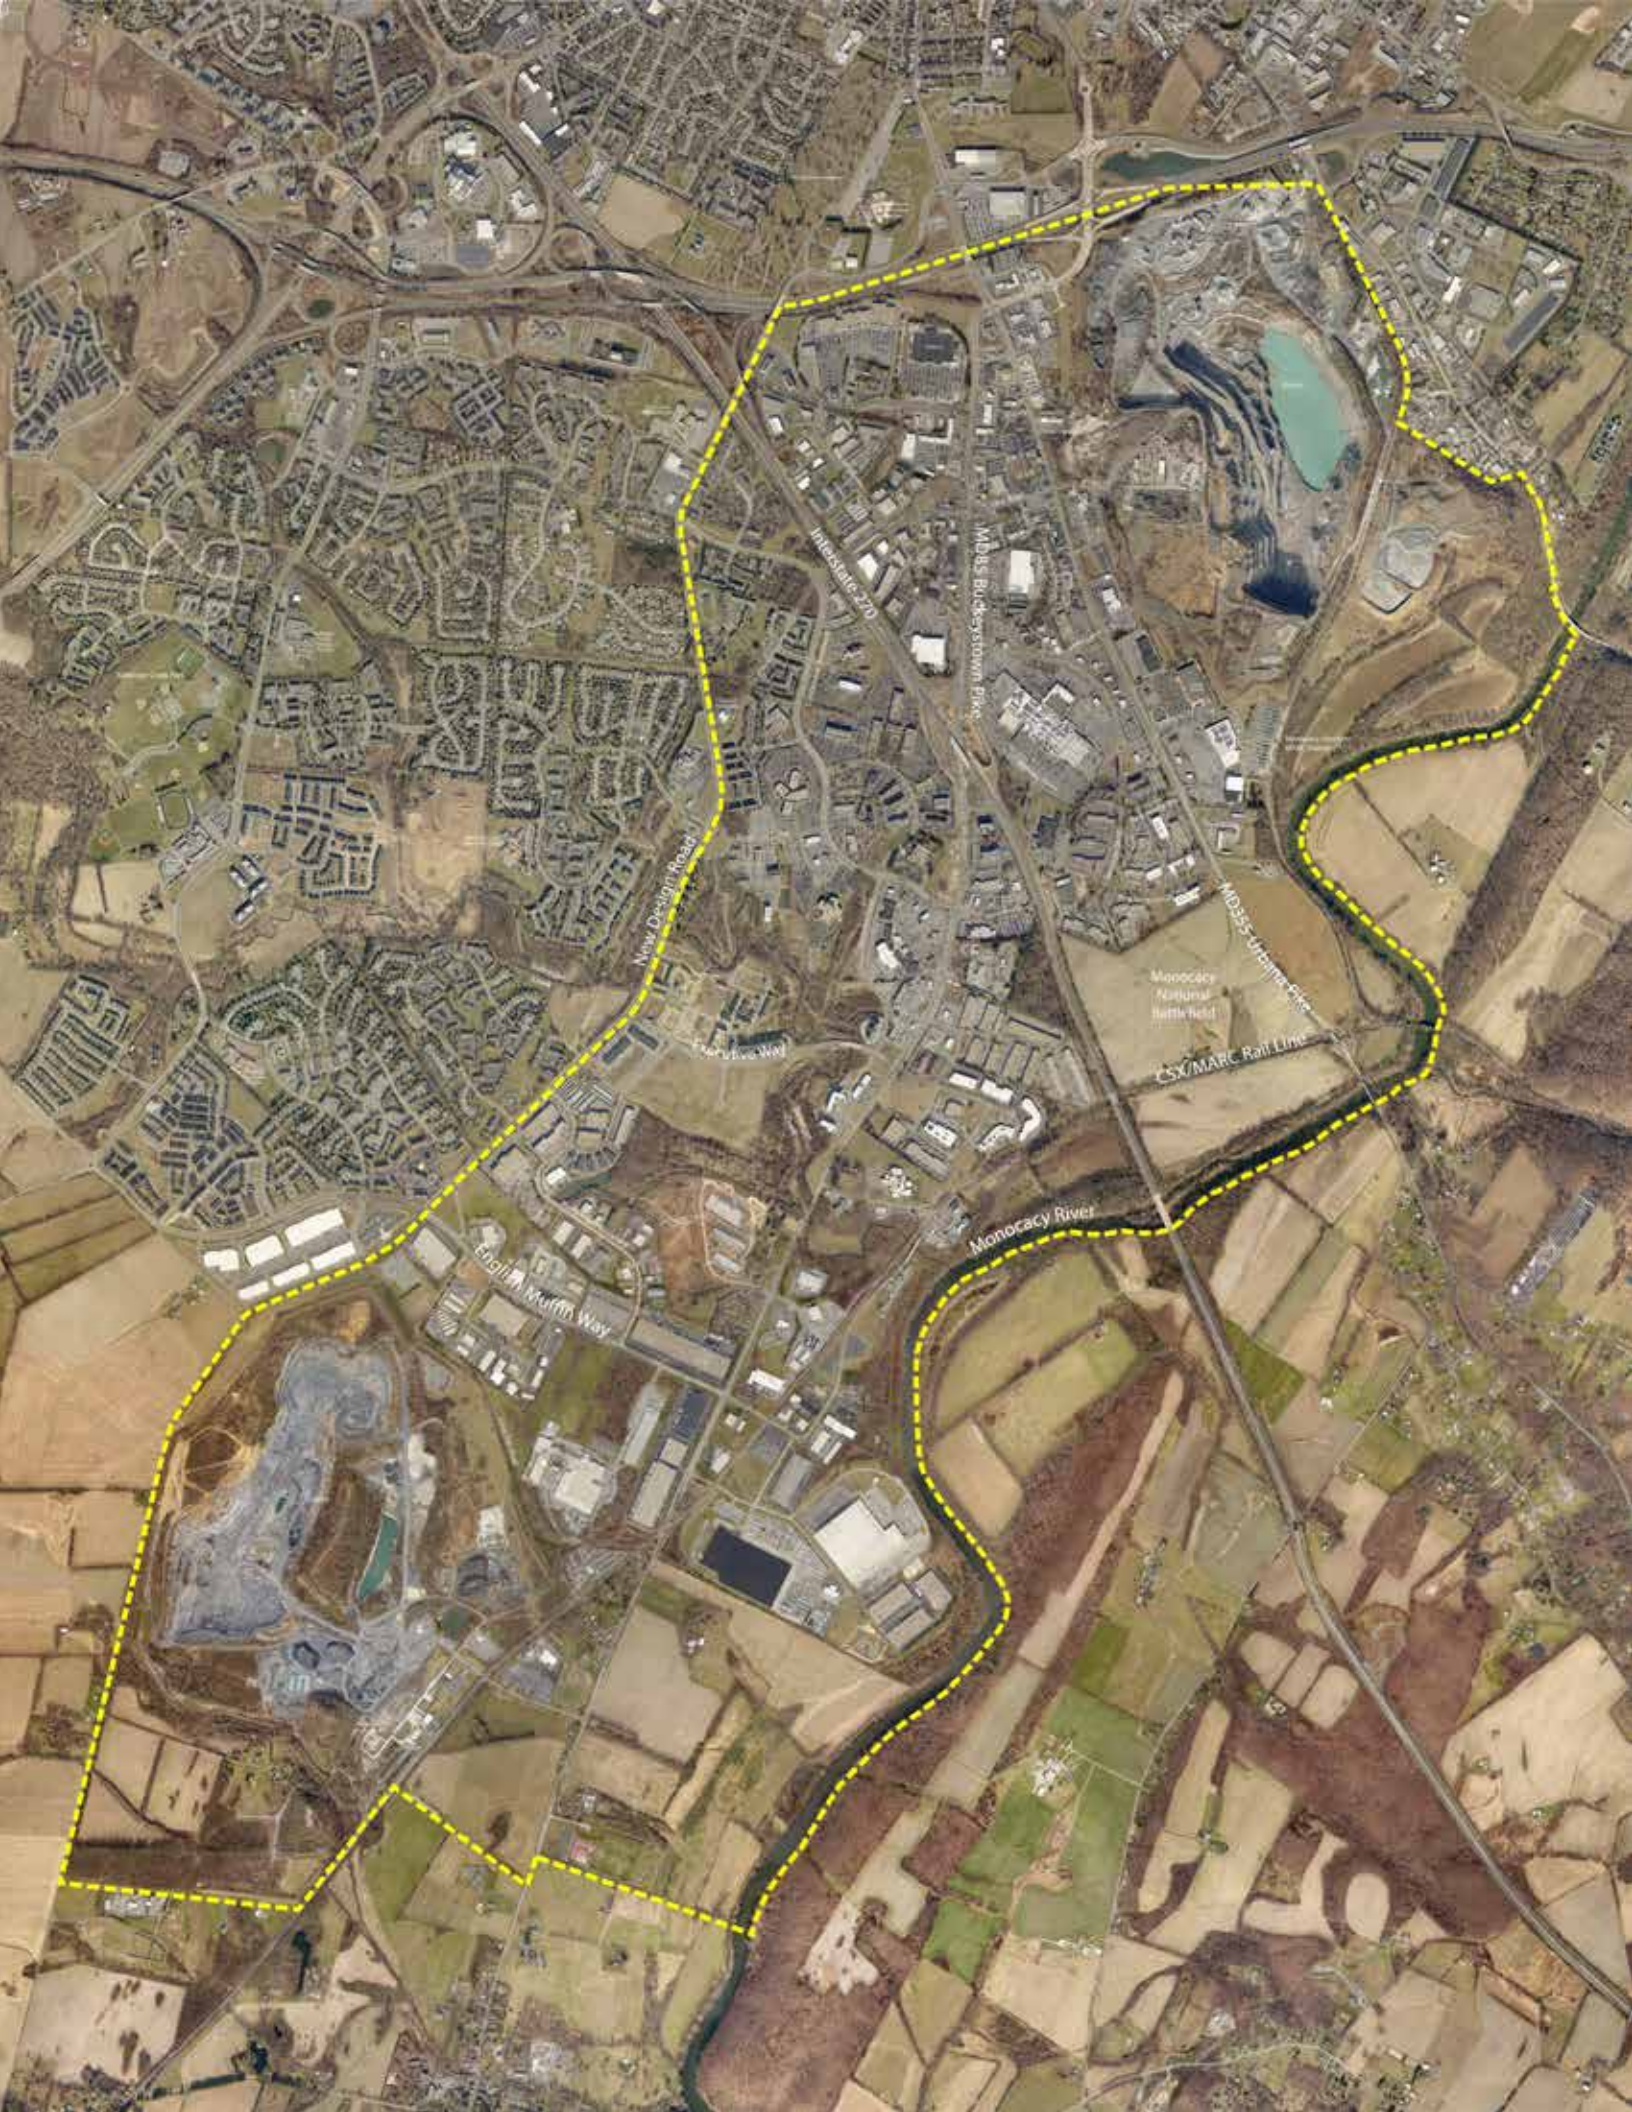

Session 3 “Moving Forward”

Thursday, April 15th 12-2 PM

Participants will begin to identify policies and strategies needed to implement the South Frederick Corridors Plan vision over the next 30-50 years.

Register for Session 3 here: <https://us02web.zoom.us/meeting/register/...>

Thank you in advance. We look forward to seeing you soon!
