DIVISION OF SOLID WASTE & RECYCLING

WASTE REDUCTION

PROGRAMS & EVENTS TO HELP YOU REDUCE, REUSE AND RECYCLE MORE

HOUSEHOLD HAZARDOUS WASTE

www.FrederickCountyMD.gov/HazWaste

Free drop-off events are held to help residents safely dispose/recycle toxic materials found around the home. Next event: Saturday November 13, 2021.

RECYCLING DROP-OFF CENTER

www.FrederickCountyMD.gov/DropOff

The facility at 9031 Reichs Ford Road accepts a wide range of items that can't be placed in a blue bin for recycling, including carpet padding, yard waste, auto fluids, large plastic items (like patio chairs or storage bins), scrap metal and large appliances.

RECYCLE COACH APP

www.FrederickCountyMD.gov/Recycle

Use our free app to search for answers on how, what and where to recycle as well as to get automatic reminders for collection days and advance notice of special events.

COMMUNITY EVENTS & CLASSES

www.FrederickCountyMD.gov/GoRecycle

Wondering when or where the next document shredding event is? Interested in attending a green festival? Want to take a class on composting? Check our website for local listings!

FOOD WASTE PREVENTION

www.FrederickCountyMD.gov/FoodWaste

The average family of four throws away \$1,500 of food each year, making food the most disposed material in America. Get our top tips and resources to help you eat what you buy!

HOME COMPOSTING

www.FrederickCountyMD.gov/Compost

We offer bins, classes and support to help you turn your food and yard waste into a valuable resource for your landscape!
