## **Roundtables Scheduled to Discuss American Rescue Plan Funding**

FREDERICK, Md. – Frederick County Executive Jan Gardner is hosting three virtual roundtables to discuss how Frederick County should invest the \$50.2 million in federal funds allocated through the American Rescue Plan Act. Each roundtable will focus on a different topic area: human services, health, and economic impact. Stakeholders will review results of a county survey and discuss proposals to help meet the needs of Frederick County residents and business.

“We can make a real difference in people’s lives with this funding,” Executive Gardner said. “These roundtable discussions will give the public another opportunity to be engaged, and they are a good example of open and transparent government.”

Public comments will be accepted at each roundtable. The roundtables are scheduled as follows:

- Human Services – 6 p.m. Thursday, Sept. 16
- Health – 6 p.m. Wednesday, Sept. 22
- Economic Impact – 6 p.m. Monday, Sept. 27

Each roundtable will be streamed from Frederick County’s Public Input portal. Links to each discussion will be posted to [www.FrederickCountyMD.gov/ARPA](http://www.FrederickCountyMD.gov/ARPA), along with survey results, ARPA grant requirements, and other related information.
