Frederick County Senior Services Division Celebrates Older Americans Month

FREDERICK, MD- Frederick County Senior Services Division will celebrate Older Americans Month in May with a *Seniors in the Park* program on Monday, May 16 at 10 a.m., at Utica District Park. This free event will include fitness activities and education, as well as lunch.

Older adults play vital, positive roles in our communities – as family members, friends, mentors, volunteers, civic leaders, members of the workforce, and more. Just as every person is unique, so too is how they age and how they choose to do it – and there is no “right” way. That’s why the theme for Older Americans Month (OAM) 2022 is *Age My Way*.

Every May, the Administration for Community Living (ACL) leads the celebration of OAM. This year’s theme focuses on how older adults can age in their communities, living independently for as long as possible and participating in ways they choose.

While *Age My Way* will look different for each person, here are common things everyone can consider:

- **Planning:** Think about what you will need and want in the future, from home and community-based services to community activities that interest you.
- **Engagement:** Remain involved and contribute to your community through work, volunteer, and/or civic participation opportunities.
- **Access:** Make home improvements and modifications, use assistive technologies, and customize supports to help you better age in place.
- **Connection:** Maintain social activities and relationships to combat social isolation and stay connected to your community.

Diverse communities are strong communities. Ensuring that older adults remain involved and included in our communities for as long as possible benefits everyone.

Reservations for this free event are required, and can be made by emailing VirtualSeniorCenter@FrederickCountyMD.gov or telephoning any Frederick County Senior Services Senior Center, or 301-600-1234.
