

FREDERICK COUNTY DIVISION OF ENERGY AND ENVIRONMENT

# Power Saver Retrofits

Sign up for this free program to save money on your heating and electricity bills!

## We can help you...

- Reduce drafts in winter
- Stay cooler in the summer
- Lower household energy costs

Frederick County's Power Saver Retrofits program provides households with assistance to reduce home energy use and improve quality of life.

Qualified projects provided at no cost to homeowners may include:

- providing insulation
- sealing ducts, windows, and doors
- HVAC tune-ups and upgrades
