Please respond to the questions below. If you prefer to provide responses or additional information in a separate file or document, send the file or document in a separate e-mail to rcherney@frederickcountymd.gov with the bill number/reference in the subject line.						
1.	Describe the impact of this proposed legislation on your agency (operations, revenues, expenditures, etc). If there is no impact, <u>please explain why.</u>					
This bill amends the County's current New Jobs and Enhanced New Jobs Tax Credits by increasing the required wage to be at least the "average wage" in the County in order to qualify for the credit. In addition, the bill establishes a certification deadline of April 30 which is in line with other credits. We currently have one business receiving the New Jobs credit and the credit has been used just once or twice in the past. The business currently receiving the credit was approved under the current wage requirement and is grandfathered for the remaining years of the credit. Subsequently, the changes proposed should not have an impact on County revenues, operations or expenditures.						
2.	Please indicate whether the proposed legislation will affect small businesses in Frederick County, and if it will, please provide any information you may have which could be useful in determining the economic impact on small businesses.					
Since the New Jobs Tax Credit has a requirement for at least 25 full-time, permanent positions, the proposed legislation will not likely affect small businesses.
