Non-Residential Building Permit Application Information

Foundation Only • New, Complete Building • Core Building • Addition • Accessory Structure

We have gone paperless!! This application should be submitted electronically via the citizen portal at <https://planningandpermitting.frederickcountymd.gov/>

Submittal Requirements

1. Copy of the **Approved Phase 5 Site Plan for the proposed construction**, stamped with approval date. For the permit process, setbacks from the proposed foundation only, core building, new building, addition, or accessory structure to the property lines in each direction *must* be shown on all copies. If applicable, [Cemetery Protection Policy](#).

**For Solar Panels submissions, please refer to Attachment.*

2. Copy of complete construction plans, signed and sealed by a Maryland Registered Architect or Engineer. When food service is involved, grease interceptors shall be required in accordance with Section 1003.3 of the International Plumbing Code. The size, type and location of each interceptor needs to be shown by the design professional on the plans and/or riser diagrams along with the corresponding calculated flow rates and retention capacities.

- Signed and sealed plans are not required if alteration or repair of existing building is limited to one of the following: (1) Minor interior alterations or cosmetic or similar repairs; and fixtures, cabinetwork or furniture, where the estimated cost including labor and materials does not exceed \$25,000. (2) Storefronts, facades or similar replacements; exterior stairways, landings, decks or ramps; joists; or a mechanical, electrical, or plumbing system where the estimated cost including labor and materials does not exceed \$10,000.

3. When a property is within an incorporated town, paperwork from the town is required before a Building Permit may be submitted. Please contact the town for information.

4. Payment of fees. Check, cash or credit cards are accepted. There is a service charge for credit card transactions. All fees must be paid for at time of application.

Procedures

STEP ONE – APPLY FOR THE PERMIT

Where to apply: Applications should be submitted electronically via the citizen portal at <https://planningandpermitting.frederickcountymd.gov/>.

When Applications Are Accepted: Applications can be submitted electronically 24/7 via the citizen portal.

STEP TWO – OBTAIN REVIEW APPROVALS

During processing, the permit application will be reviewed by various agencies for their approval. It is important that you check status of the application and address any concerns or requests for additional information promptly.

Plan Review Timeframes:

- The review timeframe of the application by Plan Review is one week for their initial review comments for this type of application. Review timeframe by Plan Review and the Office of Life Safety is two weeks for new construction less than 5,000 sf, or three weeks for 5,000 sf or more. This is for their initial review comments for this application type.

Agency Review Status: Review timeframes for agencies outside of the Division of Planning and Permitting may vary. If additional information is requested by any reviewing agency during processing, a notification is mailed to the applicant. Up-to-date review status may also be obtained via the Frederick County Government website <https://planningandpermitting.frederickcountymd.gov/> by using the lookup feature.

Permit Issuance:

- When all reviews are completed, the approved permit notifications will be sent via email to the applicant for download of the official issuance documentation, approved placard for posting onsite and approved set of plans.
- Additional information and inspection procedures can be found on our website at <https://www.frederickcountymd.gov/7974/Permits-and-Inspections>.

STEP THREE – OBTAIN INSPECTION APPROVALS

Inspections: Inspections can be requested and tracked via the citizen portal.

Certificate of Occupancy: The end result of the permitting process is the issuance of the Certificate of Occupancy. The Certificate of Occupancy is issued when all final inspections have been approved and the construction has been approved for use. It will be available for download on the portal.

OTHER GENERAL INFORMATION REGARDING BUILDING PERMITS

Intake staff will review your application submission, once accepted fees will be generated and applied to your portal account. If you wish to submit payment via cash or check you may make payment via the Treasury drive-thru window located at 30 North Market Street, Frederick, MD 21701. (Fee payment **cannot** be accepted until your application has been processed and approved.)

- Each structure, use or permit type require a separate permit application.
- Building Permits are non-transferable and non-assignable.
- Electrical and Plumbing Permits are separate permits with separate fees.
- Time Limitation of Application: An application for a permit for any proposed work shall be deemed to have been abandoned 180 days after the date of filing, unless such application has been pursued in good faith or a permit has been issued; except that the Administrative Authority is authorized to grant 1 or more extensions of time for additional periods not exceeding 180 days. The extension shall be requested in writing and justifiable cause demonstrated.

- Extensions: The fee to extend a permit application or a building permit is the minimum permit fee. Extension requests can be submitted via the citizen portal and must be made in advance of the permit expiration.
- Refunds: Filing fees are non-refundable and non-transferable. In the case of an abandonment or discontinuance of a project that has been made and, upon cancellation, 50 percent of the fee paid, less the minimum fee may be refunded, provided (1) No construction has occurred, and (2) The request for refund is received prior to the expiration date of the permit. The request must be made on a form provided by the County. Revoked, suspended, expired or invalid permits are not eligible for refunds.
- Revisions: A revision fee will be assessed for resubmissions or amendments to all applications and permits.
